The Chinese and Their Future Zhiling Lin,1994 Policy analysts and scholars in China Taiwan Hong Kong and the United States discuss the major issues arising in the aftermath of the explosive events in China in 1989 Contributors include Arthur Hummel the former U S ambassador to the People s Republic of China and Ding Mou Shih the representative of the Coordination Council for North American Affairs to the United States

The Political Economy of Defense Andrew Ross,1991-07-30 Beyond the traditional two dimensional analyses of defense economics and defense politics lies a rapidly growing field of research the political economy of defense As the study of the interface between economics politics and defense proliferates this collective volume sets out to identify the nature of political economy of defense inquiry surpassing a narrower focus on the economic consequences of military spending The starting point for this collaborative effort was a series of panel discussions organized by Andrew L Ross in which most of the contributors to this volume participated The majority of chapters were written expressly for this book and have not been previously published These analytical and empirical investigations are intended to illustrate the broad encompassing scope of political economy of defense research and contribute to the development of a research agenda Andrew L Ross has brought together a timely and significant array of inquiry into the impact of defense spending on world politics and global economics This book will be of great interest to political scientists defense specialists and economists studying the military industrial complex

The U.S., Japan, and Asia Frances Scott,1993 International Political Economy Kendall W. Stiles,Tsuneo Akaha,1991 **Parameters** ,1990 Asian Security Order Muthiah Alagappa,2003

More than a decade has passed since the end of the Cold War but Asia still faces serious security challenges These include the current security environment in the Korean peninsula across the Taiwan Strait and over Kashmir the danger of nuclear and missile proliferation and the concern with the rising power of China and with American dominance Indeed some experts see Asia as a dangerous and unstable place Alagappa disagrees maintaining that Asia is a far more stable predictable and

prosperous region than it was in the postindependence period This volume also takes account of the changed security environment in Asia since September 11 2001 Unlike many areas studies approaches Alagappa s work makes a strong case for taking regional politics and security dynamics seriously from both theoretical and empirical approaches The first part of this volume develops an analytical framework for the study of order the salience of the different pathways to order is examined in the second part the third investigates the management of specific security issues and the final part discusses the nature of security order in Asia □□□□□□□□ ,1990
