Slovenian Axis Forces In World War II 1941-1945:

Slovenian Axis Forces in World War II, 1941-1945 Antonio J. Muñoz, 1998 **Slovenian Axis Forces in World War II, 1941-1945** Antonio J. Muñoz, 1998 *The German Secret Field Police in Greece, 1941-1944* Antonio J. Muñoz, 2018-03-04 The Geheime Feldpolizei Secret Field Police was the political police force of the German Army during World War II Its members were drawn from both the regular German police including detectives and various Nazi security organizations The goals of the GFP were numerous and included protecting important political and military leaders investigating black market activities as well as acts of sabotage and espionage locating deserters examining anti German activists and hunting down partisans While performing these duties GFP members immersed themselves in criminal activities This book focuses on the function of the GFP in Greece compared to that of the GFP elsewhere in Europe **Yugoslavian armored units 1940-1945** Paolo Crippa, Luigi Manes, 2020-05-07 This volume tells the almost unknown story of Yugoslav tankers from training to the Second World War The formation of the first armored units of the Army of the Kingdom of Yugoslavia dates back to the late 1920s when military authorities felt the need to equip the units with an armored component on the basis of the experiences lived during the Great War by the armies engaged in trench warfare Contrary to what happened with many other European armies at that time these armored units did not develop as an extension of the cavalry divisions but were instead formed as independent departments officially called Combat Units With these departments the Kingdom of Yugoslavia faced the Second World War After the Italian German invasion of 1941 Independent Croatia and Slovenian collaborative forces formed armored units employed in the anti partisan struggle and the Wehrmacht formed 3 Armored Divisions formed by Croatian volunteers Children of the Mirna Valley Frank Bevc, 2019-07-31 In the quiet farmland of southeastern Slovenia the people of the Mirna Valley endured rule by German lords and the Habsburg Empire for over a thousand years In the early 1600 s the Bevc Family worked the land in the small village of _entrupert Three generations and over a hundred years later their descendants moved to the Debenec hills overlooking the Mirna Valley The family acquired more land and spread to the nearby towns of Mokronog and Mirna One Bevc generation a family of eleven children found different futures in America or Slovenia Most traded the green hills and hard work of farming for the harsh life of mining coal in a smoky industrial town Each withstood hardships so that their children would have a better life Many of those children fought in World War II In Slovenia that meant occupation and partisan resistance in America sons went off to war in Europe and the Pacific Soviet Nationals in German Wartime Service 1941-1945 Antonio J. Muñoz, 2007 **Axis Slovakia** Mark Axworthy, 2002 After extensive source study Mark W A Axworthy has produced what many consider the definitive study on the history of the puppet Slovak state which was created supported and sustained by the Third Reich from 1938 until 1945 Mr Axworthy has carefully compiled the military history of the Slovak State complete with the political economic social and personal reasons why things occurred as they did Through hundreds of period photographs tables charts

line drawings and color uniform plates this military study is carefully woven into a seamless and perfect tapestry accurately depicting a little known aspect of the Second World War Slovakia's participation on the side of the Axis forces A partnership with Nazi Germany which was intended to cause a Slavic wedge between the Allies and the Slavic countries of Europe

Gregor J. Kranjc, 2013-02-22 In the spring of 1941 when Slovenia was invaded by Germany Italy and Hungary Slovenes faced at best assimilation and at worst deportation or extermination Still a significant number of Slovenes would eventually collaborate with the Axis powers Why were they so ready to work with their invaders and why did the occupiers permit this collaboration Gregor Joseph Kranjc investigates these questions in *To Walk with the Devil* the first English language book length account of Slovene Axis collaboration during the Second World War Examining archival material and post war scholarly and popular literature Kranjc describes the often sharp divide between Communist era interpretations of collaboration and those of their migr anti Communist opponents Kranjc situates this divide in the vicious civil war that engulfed Slovenia during its occupation a conflict that witnessed at its bloody climax the execution of over 10 000 Slovene collaborators and opponents of the new Communist Yugoslav regime in the wake of liberation *To Walk with the Devil* makes clear how these grisly events continue to ripple through Slovene society today [The Landschutz of the Adriatic Coast \(OZAK\)](#) Paolo Crippa, 2021-02-03 After the Armistice and the consequent German occupation of the Julian regions which were in fact annexed to the German Reich with the creation of the Zone of Operations of the Adriatic Coast the German military authorities decreed the establishment of territorial self defense units formed by Italian Slovenian and Croatian citizens to flank the German units in the fight against the partisan phenomenon The Landschutz was thus organized an ethnically based corps which had to contribute to the maintenance of order and security and was formally established by Supreme Commissioner Rainer on October 1 1943 In the varied panorama of units created during the war with non German personnel not enough importance has ever been given to these small units of Territorial Defense and this volume attempts to provide as in depth an analysis as possible of the life of the Landschutz *The Hungarian Army and Its Military Leadership in World*

The Church of Greece under Axis Occupation Panteleymon Anastasakis,2014-12-15 Axis forces Germany Italy and Bulgaria occupied Greece from 1941 to 1944 The unimaginable hardships caused by foreign occupation were compounded by the flight of the government days before enemy forces reached Athens This national crisis forced the Church of Greece an institution accustomed to playing a central political and social role during times of crisis to

fill the political vacuum Led by Archbishop Damaskinos of Athens the clergy sought to maintain the cultural spiritual and territorial integrity of the nation during this harrowing period Circumstances forced the clergy to create a working relationship with the major political actors including the Axis authorities their Greek allies and the growing armed resistance movements especially the communist led National Liberation Front In so doing the church straddled a fine line between collaboration and resistance individual clerics for instance negotiated with Axis authorities to gain small concessions while simultaneously resisting policies deemed detrimental to the nation Drawing on official archives of the Greek Ministry of Foreign Affairs the British Foreign Office the U S State Department and the Greek Holy Synod alongside an impressive breadth of published literature this book provides a refreshingly nuanced account of the Greek clergy s complex response to the Axis occupation of Greece during World War II The author s comprehensive portrait of the reaction of Damaskinos and his colleagues including tensions and divisions within the clergy provides a uniquely balanced exploration of the critical role they played during the occupation It helps readers understand how and why traditional institutions such as the Church played a central social and political role in moments of social upheaval and distress Indeed as this book convincingly shows the Church was the only institution capable of holding Greek society together during World War II While The Church of Greece under Axis Occupation elucidates the significant differences between the Greek case and those of other territories in Axis occupied Europe it also offers fresh insight into the similarities Greek clerics dealt with many of the same challenges clerics faced in other parts of Hitler s empire including exceptionally brutal reprisal policies deprivation and hunger and the complete collapse of the social and political order caused by years of enemy occupation By examining these challenges this illuminating new book is an important contribution not only to Greek historiography but also to the broader literatures on the Holocaust collaboration and resistance during World War II and church state relations during times of crisis
