Grudem,2012-02-07 God intended the Bible to give guidance to every area of life including how governments should function Derived from Wayne Grudem s Politics According to the Bible this book highlights those economic and foreign policy issues that have dominated political debate recently and is a must read for any Christian concerned about current debates over Economic issues and taxation The size and role of government The best way forward out of a recession Relationships to other nations Throughout Wayne Grudem author of the bestselling Systematic Theology supports political positions that would be called more conservative than liberal However it is important to understand that I see these positions

as flowing out of the Bible's teachings rather than positions I hold prior to or independently of those biblical teachings he writes My primary purpose in the book is not to be liberal or conservative or Democrat or Republican but to explain a biblical worldview and a biblical perspective on issues of politics law and government Not every reader will agree with the book's conclusions But by grounding his analysis deeply on Scripture Grudem has equipped Christians to better understand and respond to some of today's key political debates wisely and in a manner consistent with their primary citizenship as members and ambassadors of the kingdom of God
