## **Small Stream Dry Fly:**

**Trout from Small Streams** Dave Hughes, 2014-03-01 What defines a small stream For Dave Hughes it s not size but that sense of intimacy you get when you can observe the whole stream and feel that you re a large and integral part of it Hughes draws on his years of experience to teach you everything you need to know about fishing small streams from choosing rods and flies to reading the weather and water Hughes knows that successful fly fishing is more than just catching the most or the biggest fish Small streams provide the opportunity for exploration and discovery in addition to the fish This second edition contains new chapters on reading the seasons and tenkara and is superbly illustrated with more than 100 new color photos

The Small Stream Dry Fly Lou Stevens, 2003-09-20 Informative and instructive guide to fly fishing the smaller streams Well known author with extensive experience in the United States and Europe In The Small Stream Dry Fly Lou Stevens presents a new and radical approach to fishing the dry fly on a wide variety of small streams Whether you are fishing the dry fly on chalk streams hill streams brooks and burns or moorland streams the theory is the same However the tactics used vary enormously from one type of water to another Based on the author s extensive knowledge this book introduces the reader to a number of little known tactical flies These are described in detail and include the flies needed to practice the radical damp fly approach
