The reference also details publishers festivals and events and other organizations involved with music. Books in Print Supplement, 2002 The Encyclopedia of Popular Music Colin Larkin, 2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day.

Encyclopedia of Great Popular Song Recordings Steve Sullivan, 2017-05-17 Volumes 3 and 4 of the *The Encyclopedia of Great Popular Song Recordings* provides the stories behind approximately 1 700 more of the greatest song recordings in the history of the music industry from 1890 to today. In this masterful survey all genres of popular music are covered from pop rock soul and country to jazz blues classic vocals hip hop folk gospel and ethnic world music. Collectors will find detailed discographical data recording dates record numbers Billboard chart data and personnel while music lovers will appreciate the detailed commentaries and deep research on the songs their recording and the artists. Readers who revel in pop cultural history will savor each chapter as it plunges deeply into key events in music society and the world from each era of the past 125 years. Following in the wake of the first two volumes of his original *Encyclopedia of Great Popular Song Recordings* this follow up work covers not only more beloved classic performances in pop music history but many lesser known but exceptional recordings that in the modern digital world of long tail listening re-mastered recordings and lost but found possibilities Sullivan mines from modern recording history. *The Encyclopedia of Great Popular Song Recordings* Volumes 3 and 4 lets the readers discover and through their playlist services from such as iTunes to and Spotify build a truly deep comprehensive catalog of classic performances that deserve to be a part of every passionate music lover's life. Sullivan organizes songs in chronological order starting in 1890 and continuing all the way through to the present to include modern gems from June 2016. In each chapter Sullivan he immerses readers era by era in the popular music recordings of the time noting key events that occurred at the time to painting a comprehensive picture in music history of each period for each song. Moreover Sullivan includes for context bulleted lists noting key events that occurred during the song's recording. Hit Songs, 1900-1955 Don Tyler, 2007-04-16 This is a chronology of the most famous songs from the years before rock n roll. The top hits for each year are described including vital information such as song origin artist's and chart information. For many songs the author includes any web or library holdings of sheet music covers musical scores and free audio files. An extensive

collection of biographical sketches follows providing performing credits relevant professional awards and brief biographies for hundreds of the era's most popular performers lyricists and composers Includes an alphabetical song index and bibliography
