Catalog of Copyright Entries, 1945 *Found in Transition* Paria Hassouri, 2020-09-08 On Thanksgiving morning Paria Hassouri finds herself furiously praying and negotiating with the universe as she irons a dress her fourteen year old designated male at birth has secretly purchased and wants to wear to dinner with the extended family In this wonderfully frank loving and practical account of parenting a transgender teen Paria chronicles what amounts to a dual transition as her child transitions from male to female she navigates through anger denial and grief to eventually arrive at acceptance Despite her experience advising other parents in her work as a pediatrician she was blindsided by her child's gender identity Paria is also forced to examine how she still carries insecurities from her past of growing up as an Iranian American immigrant in a predominantly white neighborhood and how her life experience is causing her to parent with fear instead of love Paria discovers her capacity to evolve as well as what it really means to parent and the deepest nature of unconditional love This page turning memoir relates a tender story of loving and parenting a teenager coming out as transgender and transitioning It explores identity self discovery in adolescence and midlife and difference in a world that values conformity At its heart *Found in Transition* is a universally inspiring portrait of what it means to be a family
