The Kingdom Of Three:

Justification and the Kingdom of God, Volume Three Paul Chul Hong Kang, 2025-02-20 The Justification and Kingdom of God series seeks to answer the question How can justified Christians in Jesus bear the fruit of faith reflecting growth in God's image To address this the series helps readers understand what happens to the image bearers of God in Adam or in Jesus Christ This reveals the deeper meaning of the gospel and the restoration of God's image uncovering hidden treasures Now the challenge is whether the reader will accept these treasures The Kingdom of Faith asks a significant question What is the highest goal of your life The Bible teaches that this goal is the growth of God's image within humanity a promise that has never failed A life conformed to the image of Jesus Christ brings great joy to humanity's Heavenly Father and glorifies him Such a life invites the help of the Holy Spirit and carries eternal value in Jesus This book encourages readers to see earthly life as a precious opportunity to think speak and live in a way that loves God and one's neighbor by faith This reminds readers that Our Father does far more abundantly than all that we ask or think according to the power that works within us

Kuykendall, 2021-05-25 The colorful history of the Hawaiian Islands since their discovery in 1778 by the great British

navigator Captain James Cook falls naturally into three periods During the first Hawaii was a monarchy ruled by native kings and queens Then came the perilous transition period when new leaders after failing to secure annexation to the United States set up a miniature republic The third period began in 1898 when Hawaii by annexation became American territory The Hawaiian Kingdom by Ralph S Kuykendall is the detailed story of the island monarchy In the first volume Foundation and Transformation the author gives a brief sketch of old Hawaii before the coming of the Europeans based on the known and accepted accounts of this early period He then shows how the arrival of sea rovers traders soldiers of fortune whalers scoundrels missionaries and statesmen transformed the native kingdom and how the foundations of modern Hawaii were laid In the second volume Twenty Critical Years the author deals with the middle period of the kingdom's history when Hawaii was trying to insure her independence while world powers maneuvered for dominance in the Pacific It was an important period with distinct and well marked characteristics but the noteworthy changes and advances which occurred have received less attention from students of history than they deserve Much of the material is taken from manuscript sources and appears in print for the first time in the second volume The third and final volume of this distinguished trilogy The Kalakaua Dynasty covers the colorful reign of King Kalakaua the Merry Monarch and the brief and tragic rule of his successor Queen Liliuokalani This volume is enlivened by such controversial personages as Claus Spreckels Walter Murray Gibson and Celso Caesar Moreno Through it runs the thread of the reciprocity treaty with the United States its stimulating effect upon the island economy and the far reaching consequences of immigration from the Orient to supply plantation labor The trilogy closes with the events leading to the downfall of the Hawaiian monarchy and the establishment of the Provisional Government in 1893

The Kingdom of God in Working Clothes R. Paul Stevens, 2022-08-05 Work occupies most of our waking time whether it is in a factory office school or at home But unfortunately most people of faith separate their working life from their worshipping life Dualism is a pernicious heresy that has infected believers worldwide namely that church work and missionary service are holy and our everyday work is secular In this timely volume Stevens explores the connection of the kingdom of God the master thought of Jesus with the marketplace Traditionally people have either related the kingdom of God God's new world coming either exclusively for the present or only for the distant future But it is both now and coming This gives meaning hope and endurance to our work in the world So daily labor in the marketplace gets reoriented through salty values and ingrained virtues We become double agent spies exploring the new world coming in everyday life We can also grapple helpfully with the resistance we face daily in the workplace There are many books on the kingdom of God and many on work Few have brought these two vital arenas of everyday service together It is indeed part of the good news
