1. Measurable Objective(s):

Students will explore and learn about diatonic seventh chords and their qualities in both major and natural minor keys by:

- Beginning with reviewing diatonic triads and their qualities in major and minor keys.
- Then hearing the difference between diatonic triads and seventh chords.
- Then students are to explore the diatonic seventh chords and their qualities in both major and natural minor by taking notes on the material written on the board, as well as student involvement in determining correct chord construction, and proper chord qualities after being given examples of how to determine these things.
- And conclude with an assignment in which the students are to compose their own harmonic progression using diatonic seventh chords.

2. Required Prior Knowledge and Skills:

Students should be able to read and recognize notes in both the treble and bass clefs. Students should also be familiar with diatonic triads in major and minor keys, as well as being able to determine and identify intervals between notes.

3. Review Needed:

The content that needs to be reviewed includes:

- The notes in both the treble and bass clefs.
- Major and minor key signatures with flats and with sharps.
- Diatonic triads in both major and minor.
- Intervals between notes.

4. Materials, Repertoire, Equipment needed:

- PowerPoint to review notes in the treble and bass clefs, major and minor key signatures with flats and with sharps, diatonic triads, and intervals.
- Staff paper for each student.
- Markers for writing on the board to further explain and convey the new musical concepts being taught.
- A piano or keyboard to play some examples for the students.
