Small French Paintings from the Bequest of Alisa Mellon Bruce , Delicious Decadence ?The Rediscovery of French Eighteenth-Century Painting in the Nineteenth Century Monica Preti, 2017-07-05 The history of collecting is a topic of central importance to many academic disciplines and shows no sign of abating in popularity As such scholars will welcome this collection of essays by internationally recognised experts that gathers together for the first time varied and stimulating perspectives on the nineteenth century collector and art market for French eighteenth century art and ultimately the formation of collections that form part of such august institutions as the Louvre and the National Gallery in London The book is the culmination of a successful conference organised jointly between the Wallace Collection and the Louvre on the occasion of the acclaimed exhibition Masterpieces from the Louvre The Collection of Louis La Caze Exploring themes relating to collectors critics markets and museums from France England and Germany the volume will appeal to academics and students alike and become essential reading on any course that deals with the history of collecting the history of taste and the nineteenth century craze for the perceived douceur de vivre of eighteenth century France It also provides valuable insight into the history of the art markets and the formation of museums *Les Fauves* Russell T. Clement, 1994-05-25 This is the first comprehensive scholarly bibliography research guide sourcebook on the major French Fauve painters Henri Matisse and Georges Braque are treated in separate Greenwood bio bibliographies It includes information on 3 120 books and articles as well as chronologies biographical sketches and exhibition lists Each artist receives a primary and secondary bibliography with many annotated entries Secondary bibliographies include details about each artists life and career relationships with other artists work in various media iconography and more Designed for art historians art students museum and gallery curators and art lovers alike this volume organizes the vast literature surrounding this fascinating revolutionary 20th century art group Genuinely new art is always challenging sometimes even shocking to those unprepared for it In 1905 the paintings of Matisse Derain Vlaminck and their friends shocked conservative museum goers hence the eventual popularity of art critic Louis Vauxcelles s tag les fauves or wild beasts by which these artists became known Although it

lasted only three or four years Fauvism is recognized as the first artistic revolution of international consequence in the 20th century It was based on the glorification of pure saturated colors and the free expression of primitivism It was a dynamic sensualism an equilibrium of passion and order fire and austerity that could not last By the end of 1908 Fauvism collapsed in the face of Cubism which moreover several Fauve artists helped to form Small French Paintings from the Bequest of Ailsa Mellon Bruce National Gallery of Art (Washington, D.C.),1978 Paris Fashion and World War Two Lou Taylor,Marie McLoughlin,2020-01-09 Winner of the Association of Dress Historians Book of the Year Award 2021 In 1939 fashion became an economic and symbolic sphere of great importance in France Invasive textile legislation rationing and threats from German and American couturiers were pushing the design and trade of Parisian style to its limits It is widely accepted that French fashion was severely curtailed as a result isolated from former foreign clients and deposed of its crown as global queen of fashion This pioneering book offers a different story Arguing that Paris retained its hold on the international haute couture industry right throughout WWII eminent dress historians and curators come together to show that amid political economic and cultural traumas Paris fashion remained very much alive under the Nazi occupation and on an international level Bringing exciting perspectives to challenge a familiar story and introducing new overseas trade links out of occupied France this book takes us from the salons of renowned couturiers such as Edward Molyneux and Robert Piguet French Vogue and Le Jardin des Modes and luxury Lyon silk factories to Rio de Janeiro Denmark and Switzerland and the great American department stores of New York Also comparing extravagant Paris occupation styles to austerity fashions of the UK and USA parallel industrial and design developments highlight the unresolvable tension between luxury fashion and the everyday realities of wartime life Showing that Paris strove to maintain world dominance as leader of couture through fashion journalism photography and exported fashion forecasting Paris Fashion and World War Two makes a significant contribution to the cultural history of fashion **America's National Gallery of Art** Philip Kopper,National Gallery of Art (U.S.),2016-10-04 America's National Gallery of Art a 75th anniversary history of the nation's art museum founded by Andrew W Mellon and opened to the public on March 17 1941 Presenting an overview of the Gallery's first fifty years and a thematic look at the transformation the museum has undergone since 1992 the book offers extensive photographic essays that highlight the West Building newly renovated East Building and Sculpture Garden as well as the magnificent art collection and selected special exhibitions The book includes accounts of the founding benefactors and four directors David Finley John Walker J Carter Brown and now Earl A Powell III and discusses the Gallery's historic 2014 agreement to accept custody of the collections of the Corcoran Gallery of Art **Department of the Interior and Related Agencies Appropriations for 1981** United States. presents illustrations of all the French pictures and sculpture in the Museum's collection in a convenient format with a generous number in color Foreword *Department of the Interior and Related Agencies Appropriations for 1980* United States. Congress. House. Committee on Appropriations. Subcommittee on Department of the Interior and Related Agencies, 1979 A catalogue of the National gallery of British art, with a suppl. containing works by modern foreign artists and old masters Victoria and Albert museum, 1893 **Impressionism** John I. Clancy, 2003 Defining an artistic era or movement is often a difficult task as one tries to group individualistic expressions and artwork under one broad brush Such is the case with impressionism which culls together the art of a multitude of painters in the mid 19th century including Monet C zanne Renoir Degas and van Gogh Basically impressionism involved the shedding of traditional painting methods The subjects of art were taken from everyday life as opposed to the pages of mythology and history In addition each artist painted to express feelings of the moment instead of hewing to time honoured standards This description of impressionism obviously is quite broad and can apply to a wide array of styles Nonetheless it remains a very important school in the annals of art Any current or budding art aficionado should become familiar with the impressionist movement and its impact on the art world This book presents a sweeping study of this artistic period from its origins to its manifestations in the works of some of art history's most revered painters Following this overview is a substantial and selective bibliography featuring access through author title and subject indexes **Origins of Impressionism** Gary Tinterow, Henri Loyrette, 1994 This handsome publication which accompanies a major exhibition at The Metropolitan Museum of Art is a lively and engaging account of the artistic scene in Paris in the 1860s the years that witnessed the beginnings of Impressionism For the first time the interactions and relationships among the group of painters who became known as the Impressionists are examined without the overworn art historical polarities commonly evoked academic versus avant garde classicist versus romantic realist versus impressionist A host of strong personalities contributed to this history and their style evolved into a new way of looking at the world These artists wanted above all to give an impression of truth and to have an impact on or even to shock the public And they wanted to measure up to or surpass their elders This complex and rich environment is presented here the grand old men and the young turks encounter each other the Salon pontificates and the new generation moves fitfully ahead benignly but always with determination Origins of Impressionism gives a day by day year by year study of the genesis of an epoch making style Bibliographies and provenances are provided for each of the almost two hundred works in the exhibition and there is an illustrated chronology With more than two hundred superb colorplates this informative survey is an essential work for both the general reader and the scholar BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *French Paintings: A Catalogue of the Collection of The Metropolitan Museum of Art.
