Small Gathering Of Bones

Patricia Esmie Powell

Small Gathering Of Bones:

A Small Gathering of Bones Patricia Powell, 2003-12-01 It's 1978 and Dale Singleton is becoming alarmed as his friend Ian Kaysen is afflicted with a mysterious and seemingly untreatable illness characterized by pneumonia lesions and dementia. This novel of the first days of AIDS is viscerally affecting as it conveys the shocked puzzlement of those troubled by Ian's condition while simultaneously documenting Jamaican society's struggle to accept the dignity of gay love. Dale's world collapses yet his experience of being gay in a middle class culture circumscribed by church, family and compulsory heterosexuality is hauntingly memorable and familiar.

A Small Gathering of Bones Patricia Esmie Powell, 1991

Words to Our Now Thomas Glave, Essays regarding prejudice and inhumanity by a gay Jamaican American **Creole Discourse**, 2002-01-01 Creole languages are characteristically associated with a negative image. How has this prestige been formed? And is it as static as the diglossic situation in many anglo creolophone societies seems to suggest? This volume examines socio-historical and epistemological factors in the prestige formation of Caribbean English Lexicon Creoles and subjects their classification as a socio-linguistic type to scrutiny and critical debate. In its analysis of rich empirical data, this study also demonstrates that the uses, functions and negotiations of Creole within particular social and linguistic practices have shifted considerably. Rather than limiting its scope to one national speech community, the discussion focusses on changes of the social meaning of Creole in various discursive fields such as inter-generational changes of Creole use in the London Diaspora, diachronic changes of Creole representation in written texts and diachronic changes of Creole representation in translation. The study employs a discourse analytical approach drawing on linguistic models as well as Foucauldian theory.

The Encyclopedia of Caribbean Religions Patrick Taylor, Frederick I. Case, 2013-04-30 The Encyclopedia of Caribbean Religions is the definitive reference for Caribbean religious phenomena from a Caribbean perspective. Generously illustrated, this landmark project combines the breadth of a comparative approach to religion with the depth of understanding of Caribbean spirituality as an ever-changing and varied historical phenomenon. Organized alphabetically, entries examine how Caribbean religious experiences have been shaped by and have responded to the processes of colonialism and the challenges of the postcolonial world. Systematically organized by theme and area, the encyclopedia considers religious traditions such as Vodou, Rastafari, Sunni Islam, Sanatan Dharma, Judaism and the Roman Catholic and Seventh-day Adventist churches. Detailed subentries present topics such as religious rituals, beliefs, practices, specific historical developments, geographical differences and gender roles within major traditions. Also included are entries that address the religious dimensions of geographical territories that make up the Caribbean. Representing the culmination of more than a decade of work by the associates of the Caribbean Religions Project, The Encyclopedia of Caribbean Religions will foster a greater understanding of the role of religion in Caribbean life and society in the Caribbean diaspora and in wider national and transnational spaces.

Callaloo ,2007 A Black South journal of arts and letters **The Chapel and Burial Ground on St Ninian's Isle, Shetland: Excavations Past and Present: v. 32** Rachel C. Barrowman,2017-12-02 This volume is the definitive account of the excavation which led to the discovery of the magnificent hoard of 28 pieces of Pictish silverware on St Ninian s Isle Shetland in 1958 It includes a reassessment of the original archives and finds including an ogham stone found on the site in 1876 and a fantastic collection of glass beads as well as several new small scale excavations on the site of the chapel and its burial ground Taken together this work reveals a long sequence of settlement beginning in the Iron Age The first church was built on the site in the 8th century and accompanied by a long cist cemetery with cross incised stones and shrine sculpture The church may have continued in use into the 9th or 10th centuries and the recent work has confirmed that the famous hoard was buried into its floor There was a degree of continuity between the pre Christian and Christian burials with evidence that the site was a special place for burial before the advent of Christianity The report describes these burials in detail ending the story sometime between the 11th and end of the 12th centuries when an adult male who had died a violent death was moved to be buried on the site Thereafter the site was inundated with wind blown sand A new chapel with an accompanying long cist cemetery was then built above the earlier church and a chancel was added later The associated graveyard continued in use until around 1840 long after the building was demolished **Husbandry of Farm Animals and**
