The Chalice of Blood Peter Tremayne, 2011-10-25 If there is anyone who has emerged from the crowded field of medieval mysteries to take the place of the late Ellis Peters it is Peter Tremayne Denver Post on Master of Souls Ireland AD 670 When an eminent scholar is found murdered in his cell in the Abbey of Lios Mor fear spreads among his brethren His door was secured from the inside with no other means of exit How did the murderer escape And what was the content of the manuscripts apparently stolen from the scholar s room Abbot Iarnla insists on sending for Sister Fidelma and her companion Brother Eadulf to investigate the killing But even before they reach the abbey walls there is an attempt on their lives As the mystery deepens Fidelma and Eadulf must also wrestle with problems of their own problems which threaten to separate them forever

A Prayer for the Damned Peter Tremayne, 2007-11-13 In February of 668 A D Fidelma of Cashel and her companion Eadulf are about to get permanently married As the sister to the King of Muman Fidelma s marriage ceremony is a major event the High King of Ireland as well as other kings and major figures are going to be in attendance On the eve of the ceremony the fanatical and much disliked Abbot Ultan is found murdered in his chamber and one of the distinguished guests the King of Connacht is accused of the crime Her wedding delayed the high born guests restless and the murder and its aftermath threatening chaos it s up to Fidelma to uncover the murderer and the truth behind the murder itself if the often tenuous peace of the land is to be maintained

Dancing with Demons Peter Tremayne, 2009-10-27 Tremayne writes so authentically about this remote time period that readers will feel they are there in every way a delight Library Journal starred review on Master of Souls The action is tense and gripping a compelling enjoyable adventure The Philadelphia Inquirer on The Monk Who Vanished In the late 7th Century the High King of Ireland is killed at night in the middle of his compound Who killed him is not in question there are unimpeachable witnesses that point directly to the clan chieftain responsible Dubh Duin is after all found by the High King s guards in the High King s bed chamber holding the murder weapon But with impending civil war in the balance the motive for the murder becomes of paramount importance The Chief Brehon of Ireland asks Fidelma of Cashel sister to the King of Muman and a dailagh to investigate What her investigations reveal is an intricate web of conspiracy and deception that threatens to unbalance the five kingdoms and send them spiralling into a violent and bloody civil war and religious conflict And it s up to Fidelma to not only see to justice but to private the violent fracturing of an increasingly fragile peace

violently slaughtered one per month of the night of the full moon the most recent only days before during the badger s moon October s full moon The villagers are angrily demanding answers from the abbey who are housing three visitors from faraway strangers who the villagers believe are behind the gruesome murders As a respected Brehon Fidelma along with her companion Brother Eadulf is dispatched by her brother the king to restore order to the panicked village and investigate the killings But time is running out and Fidelma must act quickly uncovering the complicated truth before the next full moon comes and the lunatic killer strikes again

Penance of the Damned Peter Tremayne,2017-07-25 Ireland AD 671 King Colg of Cashel is shocked to learn that his loyal Chief Bishop and advisor has been murdered in the old enemy fortress of the U Fidgente When word reaches Cashel that the culprit will be executed under new law a larger conflict looms Dispatched to investigate Fidelma and her companion Eadulf discover that the man facing punishment is Gorm n commander of the King s bodyguard But Fidelma cannot believe Gorm n would carry out such an act and yet he was found locked in a chamber with the body weapon in hand The evidence is stacked against him If they are to exonerate Gorm n and keep the peace between the kingdoms Fidelma and Eadulf must find the true culprit As the threat of war looms the date of execution draws ever closer
