**The Laurel and Hardy Scrapbook** Jack Scagnetti, 1982-10-01      *The Laurel & Hardy Advertising Scrapbook* Antony Mitchell-Waite, Joanne Mitchell-Waite, 2014-10-13 The Laurel Hardy Advertising Scrapbook is an updated and stripped back version of our previous book Advertising Antics This time we let the pictures speak for themselves over 600 of them Many new many more re scanned as higher quality images with newly written text sections      *Stan and Ollie* Simon Louvish, 2005-07-01 Stan Laurel and Oliver Hardy have remained from 1927 to the present day the screen s most famous and popular comedy double act celebrated by legions of fans But despite many books about their films and individual lives there has never been a fully researched definitive narrative biography of the duo from birth to death Louvish traces the early lives of Stanley Jefferson and Norvell Hardy and the surrounding minstrel and variety theatre which influenced all of their later work Louvish examines the rarely seen solo films of both our heroes prior to their serendipitous pairing in 1927 in the long lost short Duck Soup The inspired casting teamed them until their last days Both often married they found balancing their personal and professional lives a nearly impossible feat Between 1927 and 1938 they were able to successfully bridge the gap between silent and sound films which tripped up most of their prominent colleagues Their Hal Roach and MGM films were brilliant but their move in 1941 to Twentieth Century Fox proved disastrous with the nine films made there ranking as some of the most embarrassing moments of cinematic history In spite of this Laurel and Hardy survived as exemplars of lasting genius and their influence is seen to this day The clowns were elusive behind their masks but now Simon Louvish can finally reveal their full and complex humanity and their passionate devotion to their art In *Stan and Ollie The Roots of Comedy The Double Life of Laurel and Hardy* Louvish has seamlessly woven tireless and thorough research into an authoritative biography of these two important and influential Hollywood pioneers      *Laurel and Hardy* Wes D. Gehring, 1990-06-27 This book presents a combined biographical critical and bibliographical estimate of Laurel and Hardy s significance in film comedy the arts in general and as popular culture icons The book features biographical information on the public and privates lives of Laurel and Hardy a critique of four broad influences of Laurel and Hardy and a bibliographical essay assessing key reference materials and locating research collections open to the student and or scholar      *The Making of Stan Laurel* Danny Lawrence, 2014-01-10 As an adult Stan Laurel 1890 1965 lived in the United States As a boy he lived in north east England the son of a prominent local theatrical figure This ground breaking biography examines Laurel s family background his formative years and his struggle to establish a show business career Stan retained the emotional bonds forged in his youth throughout his life and visited his boyhood homes during his UK tours with Oliver Hardy Describing Stan Laurel s key roles in making his films with his partner Oliver Hardy so successful internationally the book analyzes how Stan s boyhood experiences are often echoed in those films It also notes his influence on successive generations of comic actors who to this day still pay fulsome tribute to him Included is a selection of photographs relevant to Laurel s boyhood some
