Social Problems Christian Perspectives:

Social Problems in Global Perspective Ronald M. Glassman, William H. Swatos, William H. Swatos, Jr., Barbara J. Denison, 2004-11 The global high tech economy has generated a technological and scientific productive miracle But along with the miracle has come problems Social Problems in Global Perspective focuses on some of these problems including family decline divorce and single parenting the gender war with men and women distrustful and threatened by one another in the workplace the home and the bedroom the moral malaise created by science and religion the media and morality This book presents detailed chapters on the high tech economy religious fundamentalism terrorism and ethnic conflicts It also includes chapters on homosexuality and AIDS the world population explosion and pop culture **Christian Perspectives on Sociology** Stephen Grunlan, Milton Reimer, 2001-04-02 **The Secular Relevance of the Church** Gayraud S Wilmore, 2012-05-01 **A Reader in Sociology; Christian Perspectives** Charles P. De Santo, Calvin Redekop, William L. Smith-Hinds, 2001-03-07 *The Sociology of Social Problems* Adam Jamrozik, Luisa Nocella, 1998-07-13 Social problems such as unemployment poverty and drug addiction are a fact of life in industrialised societies This book examines the sociology of social problems from interesting and challenging perspectives It analyses how social problems emerge and are defined as such who takes responsibility for them who is threatened by them and how they are managed solved or ignored The authors examine and critique existing theories of social problems before developing their own theoretical framework Their theory of residualist conversion of social problems explains how certain social problems threaten legitimate power structures so that problems of a social or political nature are transformed into personal problems and the helping professions are left to intervene This book will become a key reference on class inequality and social intervention and an important text for students in sociology and social work courses Social Problems Charles De Santo, Margaret M. Poloma, Polma, 1985-01-01 *Social Problems* Anna Leon-Guerrero, 2024-12-16 In *Social Problems* Anna Leon Guerrero provides a thorough exploration of the social problems that permeate our world today and provides readers with the tools to contribute toward real solutions The Eighth Edition offers a blend of sociological analysis policy review and stories of social action making it an essential read for anyone seeking to make a difference in their community **Christianity and Social Scientific Perspectives on Sport** Tom Gibbons, Stuart Braye, 2020-06-29 There has been a dramatic increase in academic research activity and practical initiatives on the topic of sports and Christianity and its cultural significance during the past decade The Faculty of Health and Life Sciences at York St John University York UK hosted the Inaugural Global Congress on Sports and Christianity IGCSC 24 28th August 2016 in collaboration with the Bible Society at which there were 180 delegates from 22 countries in attendance For the area of sports studies the social scientific study of sport there was a thematic strand at the congress titled Christian sociological perspectives on sport from which a special edition of the journal *Sport in Society* partially emanated This book is based upon this journal special edition The papers selected for inclusion in the special edition

were purposely eclectic in order to demonstrate the diversity of current research occurring in the area of Christianity and social scientific perspectives on sport The goal was to bridge divisions between various social science disciplines and theology or religious studies through varied novel and interesting explorations of sport in its various forms We hope this collection inspires further studies into this area The chapters in this book were originally published in a special issue in *Sport in Society* *Feminism and Christian Tradition* Mary-Paula Walsh,1999-05-30 This annotated bibliography a volume in the Greenwood series Bibliographies and Indexes in Religious Studies provides access to the numerous writings from the 1960s through the 1990s on feminism and Christian tradition Major feminist theologians and sociologists are represented As a guide to further research this cross disciplinary approach presents themes and issues in both a historical and a topical framework An extensive overview of feminism in relation to the women s movement women s studies sociology and American religion introduces the literature and provides a historical context for the nearly one thousand entries that follow Cross referenced throughout the literature is presented in six thematic categories that include introductory and background materials feminism and the development of feminist theology topical literatures in feminist theology feminism and womanist theology religious leadership of women and responses and recent developments Separate author subject and title indexes complete the volume Christian Contours Douglas S. Huffman,2012-01-12 What does it mean to think and live Christianly in a world of competing worldviews *Christian Contours* answers this question by inviting readers to consider the understanding of reality proposed by the Bible Though it is easy to divide life into separate compartments religious and secular theological and practical faith invites us to view all of life in the light of that Biblical understanding Presenting a clear compelling case for unity in essential Christian tenets the authors of *Christian Contours* guide the reader through developing internalizing and articulating a biblical worldview This robust worldview enables the Christian to be a critically thinking participant in culture and to be a faithful disciple of Christ with both heart and mind
