Social Work And Poverty Attitudes And Actions:

Social Work and Poverty Monica Dowling, 2019-01-22 First published in 1999 this much needed volume powerfully re evaluates attitudes to the deserving and undeserving poor and aims to investigate social workers attitudes and actions towards poverty issues social service users who have needed financial help and to question whether learning about poverty is an integrated part of social work students training and social workers in service training Monica Dowling has experience of being a social work student and social worker as well as a social work teacher and researcher In an age when increasing numbers of undergraduate and postgraduate students are unemployed and living on benefits Dowling reveals the true picture of the people who end up on the poverty line reconnecting social work theory and practice [The SAGE Handbook of Social Work](#) Mel Gray, James Midgley, Stephen A Webb, 2012-06-22 This Handbook is the world s first generic major reference work to provide an authoritative guide to the theory method and values of social work in one volume Drawn from an international field of excellence the contributors each offer a critical analysis of their individual area of expertise The result is this invaluable resource collection that not only reflects upon the condition of social work today but also looks to future developments Split into seven parts the Handbook investigates Policy dimensions Practice Perspectives Values and ethics The context of social work Research Future challenges It is essential reading for all students practitioners researchers and academics engaged in social work **The Blackwell Companion to Social Work** Martin Davies, 2013-02-25 Fully revised and restructured this fresh edition offers students and trainee social workers an incisive and authoritative introduction to the subject As well as entirely new sections on theory and practice the expert contributions which have shaped the companion s leading reputation have been updated and now include innovative standalone essays on social work theory Comprehensively reworked new edition comprising six substantive sections covering essential topics for trainee social workers in effect six books in one Includes an extensive introduction and chapters by leading experts on the focus and purpose of social work Provides a unified textbook for trainees and an invaluable professional reference volume Features a wealth of new material on theory and practice alongside detailed expositions of the social and psychological framework stages in the human life cycle and the objectives and core components of social work Each chapter lists five key points to remember questions for discussion and recommendations for further reading **Social Work and Poverty** Monica S. Dowling, 1993 *Key Concepts and Theory in Social Work* David Hodgson, Lynelle Watts, 2017-06-09 Social work is a discipline committed to social justice and human rights and to improving the well being of individuals families communities and societies But the world is changing with environmental disasters an increase in violent conflict and the aftermath of the Global Financial Crisis impacting negatively on human and ecological well being Social workers are often working at the forefront of these and other challenging situations and they must apply knowledge and skills to their practice in a thoughtful and ethical way What kind of knowledge and skills will social workers need to succeed in this intellectually and emotionally

demanding job Broad ranging in scope and depth this highly readable text introduces readers to the key concepts in social work such as empathy reflective practice and notions of risk and provides both a focus on the theory and research literature that informs each one and an examination of how each will aid practitioners in their day to day work With the help of engaging practice examples that contextualize the topics under discussion the book also draws on ideas and literature from other disciplines including philosophy sociology and psychology in order to promote the open mindedness and depth of understanding required for practice with people from all walks of life An accessible text that brings all of the major social work concepts together in one place Key Concepts and Theory in Social Work is an essential book for students and practitioners alike

Practising Welfare Rights Neil Bateman, 2006-02-01 Practising Welfare Rights aims to improve awareness among people working in social work and advice agencies about the skills required for effective welfare rights work and offers guidance for managers and other professionals about how to develop a welfare rights service Written by a well known author trainer and adviser on welfare rights issues this book includes learning objectives activities to test understanding illustrative case studies It also covers core welfare rights skills such as interviewing legal research negotiation and advocacy and discusses the historical social and economic forces which have shaped welfare rights practice as well as the politics of welfare An accessible book which highlights the place of welfare rights practice in modern society

Working with Families Experiencing Vulnerability Susan Heward-Belle, Menka Tsantefski, 2023-05-09 Working with Families Experiencing Vulnerability provides a comprehensive guide to family centred practice for social workers

Navigating Human Services Organizations Rich Furman, Margaret Gibelman, Ren Winnett, 2020 It has been 17 years since the first edition of Navigating Human Service Organizations Navigating was published and about twenty years since the Margaret Gibelman began working on a unique and engaging textbook that has been used in many dozens of classrooms I did not participate in the initial writing of the book I joined the project later Yet shortly after it was released I reviewed it for possible adoption for a practice class so can semi dispassionately reflect upon the initial notes I made about the latest book of the director of the doctoral program from which I graduated

Navigating Human Service Organizations Rich Furman, Margaret Gibelman, Ren Winnett, 2020-07-31 Since its very inception social work has been considered an organizationally based profession with the majority of its workforce employed within formal organizations Whether in nonprofit for profit or governmental agencies the practical realities of human service organizations are a central element of professional social work This book explores the climate and culture of these agencies and provides essential information for surviving and thriving in this setting It prepares students for their future careers so that they will feel empowered in their work and be able to fulfill their responsibilities toward organizational community and social change Using real life examples the authors examine the internal structures of management financing and supervision and discuss common conflicts between agencies and professionals The book's straightforward tone and practical advice make it an asset to anyone entering human

service organizations *Social Work with Children* Gordon Jack, Helen Donnellan, 2020-03-14 When working with children to promote their welfare and safeguard them from harm the best course of action is not always clear Based on two of the most important organizing frameworks human ecology and child development this book provides an invaluable guide for working with a wide range of children The ultimate introductory companion to your children and families module Starting with an exploration of the knowledge base and contexts of social work practice with all children and their families this friendly guide moves on to demonstrate how knowledge base is applied in practice with specific groups from disabled children to young offenders This is an outstandingly clear and comprehensive guide to social work with children for students and practitioners in the field
