Social Work in Rural Communities Leon H. Ginsberg,2005

Rural Social Work in the 21st Century Michael Daley,2020-03-06 The second edition of this book provides

a comprehensive overview of the knowledge skills values ethics and issues central to the practice of social work in small towns and rural communities with updated information and a new chapter on social economic and environmental justice The topics covered include the importance of rural social work defining rural and the rewards and challenges of rural practice It addresses rural culture behavior and language diversity and how social policy affects rural communities Later chapters discuss rural social services the history of rural social work a model for rural social work practice and ethical practice The final chapters focus on the practice of rural social work social economic and environmental justice and challenges for the future Rural social work rural social work ethics history rural culture generalist practice environmental justice

Handbook of Social Work Practice with Vulnerable and Resilient Populations Alex Gitterman, 2001 Role in forming balanced assessments **Journal of Human Services Abstracts**, 1979 **Social Work and the Environment** Michael Kim Zapf, 2009 This ground breaking new work provides a detailed and extensive comparison of how the physical environment has been conceptualized in social work and other professions and offers a new and attractive foundational metaphor for social work The author acknowledges the need for greater awareness and action regarding environmental impacts and the book promotes more comprehensive notions of responsibility identity and stewardship that lead to a dynamic metaphor of people as place as the foundation for relevant social work practice in the early 21st century Why is that a profession with a declared focus on person in environment has been so silent on the environmental crisis Mainstream social work theory has narrowed the understanding of environment to include merely the social environment but this approach is no longer sufficient for participation in multi disciplinary efforts to tackle urgent environmental issues Transformative notions of responsibility identity and stewardship have been developed on the fringes of our professional community rural remote social workers Aboriginal social workers and international and spiritual social workers They must now move to the core of the profession *Resources in Education*, 2001-10 **SAGE Readings for Social Problems** Benjamin Drury, 2021-02-02 SAGE Readings for Social Problems is a convenient and economical option for instructors who want to introduce students to scholarly literature in their social problems courses It contains 16 short readings on topics covered in typical courses including economic inequality race gender crime substance abuse education health medicine the environment family and the social construction of social problems The articles in this collection were all chosen because they are accessible to undergraduate avoid complicated statistical analysis and demonstrate the range of methodological approaches to studying social problems
