Social Work Quality Assurance Programs A Comparative Analysis:

Social Work Quality Assurance Programs Claudia J. Coulton, 1979
Advancing Social Work Practice in the Health Care Field Gary Rosenberg, Helen Rehr, 2012-12-06

Commemorating the 75th anniversary of the Department of Social Work at the Mount Sinai Medical Center in New York City this innovative and exciting book traces the growth of the social work mission and the development of vanguard social work programs at Mount Sinai. Leading social work educators and practitioners look at where the profession is today and speculate on where it might be going. Each article is new and original to this book and each contributor is a distinguished representative from his specialty in the field.

Advancing Social Work Practice in the Health Care Field with its wealth of historical practical and theoretical information reflects today's state of the art in selected areas and should serve as an information source not only for practitioners and administrators but also for educators who are committed to enhancing the social work services and the quality of social health care.

Social Work Practice in Health Care Settings Michael J. Holosko, Patricia A. Taylor, 1992. *Social Work Practice in Health Care Settings* is written by social work practitioners for colleagues in health care settings. It is aimed at teaching social workers how to survive in a rapidly changing health care system. The text emphasizes the role of the social worker in a variety of health care settings with a variety of unique patient disease groups. From community health centres to hospitals and from cancer patients to Alzheimer's victims this book brings together for the first time the special expertise of social work in responding to various health care needs. One unique feature of this text is the emphasis on the potential for social work role development in each of the particular areas covered. With each article written in a standardized format it is appropriate for both undergraduate and graduate courses in schools of social work as well as for social work practitioners in the field and allied health professionals.

Practice of Case Management David P. Moxley, 1989. *The Practice of Case Management in the Human Services* offers a succinct yet comprehensive guide to carrying out a case manager's responsibilities. The author explores assessment of the service needs of the client, facilitating the client's contact with the appropriate institutions and services, monitoring the quality of services provided to the client, and taking action when the client's needs are not met. He also considers the therapeutic role required when needs are not met because the problems are indigenous to the client. Providing an integrated look at practice technologies applicable to a variety of practice areas, the volume is appropriate for both preservice and inservice education in the field of human services.
