Social Work With The Aging The Challenge And Promise Of The Later Years:

Social Work with the Aging Louis Lowy, 1985 *Social Work with the Aged and Their Families* Roberta R.

Greene, 2017-07-12 In recent years theoreticians researchers and practitioners have become increasingly interested in older adults and the aging process This volume draws on related disciplines to better understand the biological psychological and social aspects of aging Social Work with the Aged and Their Families covers areas of central interest to those coping with the needs of an aging population Among the topics addressed are assessment of the aging taking into account biological age psychological age and socio cultural and spiritual age Greene also considers the importance of the family system family roles and development functional age individual and family intervention and group and community interventions The scientific and systematic study of aging is known as gerontology Geriatric social workers are those who have applied established social work theories in an attempt to find suitable techniques for working with their elderly clients The need for specialized services has given birth to various services and programs For example meals on wheels and home health care services have been designed to meet specific physical needs of older adults However mental health services have lagged far behind as practitioners struggled to adapt such specialties as family therapy to families of later years A major contribution of this book now in its third edition is the functional age model of intergenerational treatment FAM which is an outgrowth of that demand The functional age model of intergenerational treatment is an integrative theoretical framework for social workers interested in clinical social work practice with older adults and their families Since its initial construction in 1986 the model has been augmented by more recent concepts related to successful aging spirituality and resiliency These additions together with the original assessment and intervention strategies present the major converging conceptual trends that constitute a model for twenty first century social work practice in the field of aging Handbook of Social Work Practice with Vulnerable and Resilient Populations Alex Gitterman, 2001 Role in forming balanced assessments **The Chronically Limited Elderly** Howard A. Palley, Julianne S. Oktay, 1983 Stresses the need for a clear national policy designed to provide improved home health and other in home services for the chronically limited elderly and their families within a comprehensive system of community based health and social services *Gerontological Social Work Practice* Enid Opal Cox, Rosemary Chapin, Elizabeth Kelchner, 2014-02-25 What are the challenges facing gerontological social workers today and in the near future This book gives you an essential overview of the role status and potential of gerontological social work in aging societies around the world Drawing on the expertise of leaders in the field it identifies key policy and practice issues and suggests directions for the future Here you ll find important perspectives on home health care mental health elder abuse older workers issues and death and dying as well as an examination of the policy and practice issues of utmost concern to social workers dealing with the elderly With Gerontological Social Work Practice Issues Challenges and Potential you ll explore the differences between real situations and what demographics lead one to expect the need for social workers to

focus on economic political and social issues in order to promote positive change the long term care insurance issues facing elderly Japanese citizens a Canadian perspective on social work practice with aging people practice techniques to use with aging African Americans strengths based and empowerment oriented ways to work with frail elderly the impact of multiculturalism on social policy and much more **The Columbia University School of Social Work** Ronald A.

Feldman, Sheila B. Kamerman, 2001 Few aspects of American military history have been as vigorously debated as Harry Truman's decision to use atomic bombs against Japan In this carefully crafted volume Michael Kort describes the wartime circumstances and thinking that form the context for the decision to use these weapons surveys the major debates related to that decision and provides a comprehensive collection of key primary source documents that illuminate the behavior of the United States and Japan during the closing days of World War II Kort opens with a summary of the debate over Hiroshima as it has evolved since 1945 He then provides a historical overview of the events in question beginning with the decision and program to build the atomic bomb Detailing the sequence of events leading to Japan's surrender he revisits the decisive battles of the Pacific War and the motivations of American and Japanese leaders Finally Kort examines ten key issues in the discussion of Hiroshima and guides readers to relevant primary source documents scholarly books and articles **The Life**

and Thought of Louis Lowy Lorrie Gardella, 2011-10-18 Louis Lowy 1920 1991 an international social worker and gerontologist rarely spoke publicly about the Holocaust During the last months of his life however he recorded an oral narrative that explores his activities during the Holocaust as the formative experiences of his career Whether caring for youth in concentration camps leading an escape from a death march or forming the self government of a Jewish displaced persons center Lowy was guided by principles that would later inform his professional identity as a social worker including the values of human worth and self determination the interdependence of generations and the need for social participation and lifelong learning Drawing on Lowy's oral narrative and accounts from three other Holocaust survivors who witnessed his work in the Terezin ghetto and the Deggendorf Displaced Persons Center Gardella offers a rich portrait of Lowy's personal and professional legacy In chronicling his life Gardella also uncovers a larger story about Jewish history and the meaning of the Holocaust in the development of the social work profession *Mutual Aid Groups, Vulnerable and Resilient Populations,*

and the Life Cycle Alex Gitterman, Lawrence Shulman, 2005 The authors reveal the ways in which mutual aid processes help individuals overcome social and emotional trauma in contemporary society by reducing isolation universalizing individual problems and mitigating stigma New chapters in this completely revised and updated third edition illustrate the power of mutual aid processes in dealing with children traumatized by the events of September 11 adult survivors of sexual abuse parents with developmentally challenged children people with AIDS in substance recovery and mentally ill older adults
