Social Context Of An Ideology Ambedkars Political And Social Thought:

The Social Context of an Ideology M. S. Gore,1993 Social and Political Thought of Mahatma Gandhi Bidyut Chakrabarty,2006-01-16 During his campaign against racism in South Africa and his involvement in the Congress led nationalist struggle against British colonial rule in India Mahatma Gandhi developed a new form of political struggle based on the idea of satyagraha or non violent protest He ushered in a new era of nationalism in India by articulating the nationalist protest in the language of non violence or ahimsa that galvanized the masses into action Focusing on the principles of satyagraha and non violence and their evolution in the context of anti imperial movements organized by Gandhi this fascinating book looks at how these precepts underwent changes reflecting the ideological beliefs of the participants Assessing Gandhi and his ideology the text centres on the ways in which Gandhi took into account the views of other leading personalities of the era whilst articulating his theory of action Concentrating on Gandhi s writings in Harijan the weekly newspaper he founded this volume provides a unique contextualized study of an iconic man s social and political ideas

The Socio-political Ideas of BR Ambedkar Bidyut Chakrabarty,2018-10-03 Dr Bhimrao Ramji Ambedkar 1891 1956 popularly known as Babasaheb stands out for his relentless battle against caste discrimination He was a voice for the marginalized of India s demography that remained peripheral due to well entrenched socio economic and political prejudices This book is an analytical account of how Ambedkar s socio political ideas evolved as part of his wider politico ideological challenge against self motivated designs for exploitation of human beings by human beings The author contends that it was an ideological discourse that he built in a context when dominant nationalist viewpoints seem to have hardly left space for any other discourse to grow The book argues that Ambedkar s socio political ideas were an outcome of his personal experiences of social atrocities which were justified as integral to the caste system The book comprises six substantial chapters which delve into the socio political ideas of BR Ambedkar concentrating on those sets of ideas through which he established his claim as an original thinker in opposition to the dominant nationalist discourse Unlike the most conventional studies of Ambedkar s thoughts and ideas the book provides a new methodological tool to decipher their conceptual roots It is therefore argued that Babasaheb s unique conceptualization of social justice was not just an outcome of his existential existence of being a Dalit but an offshoot of his own understanding of liberalism as a mode of emancipating human beings from shackles of authority power and domination Examining Ambedkar s ideas the book charts and examines the growth and consolidation of constitutional democracy in India since it was inaugurated with the acceptance of the 1950 Constitution It will be of interest to scholars in the fields of Indian political theory South Asian politics and history **Liberalism as Ideology** Ben Jackson,Marc Stears,2012-02-16 Liberalism is the dominant ideology of our time yet its character remains the subject of intense scholarly and political controversy Inspired by the work of Michael Freeden this book brings together an internationally respected cast of scholars to debate liberalism and to redefine the very essence of what it is to be a liberal

The Bhagavadgita in the Nationalist Discourse Nagappa Gowda K., 2011-05-30 The Bhagavadgita has lent itself to several readings to defend or contest various views on life morality and metaphysics This book explores the the role of the Bhagavadgita in the formation of nationalist discourse It examines the ways in which the Gita became the central terrain of nationalist contestation and the diverse ethico moral mappings of the Indian nation Focusing on Bankimchandra Chatterjee Balgangadhar Tilak Swami Vivekananda Aurobindo Ghose Mahatma Gandhi Vinoba Bhave and B R Ambedkar as the representatives of different strands of nationalist discourse this volume probes their reflections on the Gita The author also discusses with issues such as the relation between the nation and the masses renunciation and engagement with the world the ideas of equality freedom and common good in the context of a nationalist discourse He argues that the commentaries on this timeless text opened up several possible understandings without necessarily eliminating one another

Modern Indian Political Thought Bidyut Chakrabarty, Rajendra K. Pandey, 2023-09-29 This book is

an unconventional articulation of the political thinking in India in a refreshingly creative manner in more than one way Empirically the book becomes innovative by providing an analytically more grasping contextual interpretation of Indian political thought that evolved during the nationalist struggle against colonialism Insightfully it attempts to unearth the hitherto unexplored yet vital subaltern strands of political thinking in India as manifested through the mode of numerous significant socio economic movements operating side by side and sometimes as part of the mainstream nationalist movement This book articulates the main currents of Indian political thought by locating the text and themes of the thinkers within the socio economic and politico cultural contexts in which such ideas were conceptualised and articulated The book also tries to analytically grasp the influences of the various British constitutional devices that appeared as the responses of the colonial government to redress the genuine socio economic grievances of the various sections of Indian society The book breaks new ground in not only articulating the main currents of Indian political thought in an analytically more sound approach of context driven discussion but also provokes new research in the field by charting a new course in grasping and articulating the political thought in India This volume will be useful to the students researchers and faculty working in the fields of political science political sociology political economy and post colonial contemporary Indian politics in particular It will also be an invaluable and interesting reading for those interested in South Asian studies
