Writing the Body Politic Mark Featherstone,Thomas Kemple,2019-08-08 This book brings together key essays from the career of social theorist John O Neill including his uncollected later writings focusing on embodiment to explore the different ways in which the body trope informs visions of familial economic personal and communal life Beginning with an exploration of O Neill s work on the construction of the biobody and the ways in which corporeality is sutured into social systems through regimes of power and familial socialisation the book then moves to concentrate on O Neill s career long studies of the productive body and the ways in which the working body is caught in and resists disciplinary systems that seek to rationalise natural functions and control social relations The third section considers O Neill s concern with the ancient early modern and psychoanalytic sources of the post modern libidinal body and a final section on the civic body focuses specifically on the ways in which principles of reciprocity and generosity exceed the capitalist individualist body of neo liberal political theory The volume also includes an interview with O Neill addressing many of the key themes of his work a biographical note with an

autobiographical postscript a select bibliography of O'Neill's many publications and an extensive introduction by the editors
A challenging and innovative collection *Writing the Body Politic* A John O'Neill Reader will appeal to critical social theorists and sociologists with interests in the work of one of sociology's great critical readers of classical and contemporary texts

Resources in Education, 1998 *Systems Thinkers* Magnus Ramage, Karen Shipp, 2020-02-19 This book presents a biographical history of the field of systems thinking by examining the life and work of thirty of its major thinkers It discusses each thinker's key contributions the way this contribution was expressed in practice and the relationship between their life and ideas This discussion is supported by an extract from the thinker's own writing to give a flavour of their work and to give readers a sense of which thinkers are most relevant to their own interests
