Sociology, Equality, and Education Antony Flew, 1976 **Sociology, Equality and Education** Antony Garrard Newton Flew, 1976 Sociology, Equality and Education Antony G N Flew, 2013-12-31 Philosophical Essays Antony Flew, 1998 Antony Flew is one of the most well known and respected philosophers alive today In Philosophical Essays twelve of Flew s most significant works are gathered together for the first time creating a unique and valuable collection The book begins with a new autobiographical sketch of Flew s life and career In addition to some of the distinguished scholar s most influential and famous articles Philosophical Essays includes a number of rare works that have not been available to a wide audience until now This important book will be an essential addition to the library of any philosopher **Antony**

-Sociology, Equality and Education Antony Flew, 1976 **Social Life and Moral Judgment** Antony Flew, 2017-12-02 In Social Life and Moral Judgment author and philosopher Antony Flew examines the social problems induced by the mature welfare state Welfare states make ever increasing financial demands on their citizenry yet the evidence clearly supports that such demands are not sustainable In this superlative collection of thematic essays Flew investigates and explains why this is so and calls for a return to individual responsibility The first essay establishes the philosophical basis for his argument Is Human Sociobiology Possible answers its titular question in the negative asserting that we are all members of a peculiar type of creature that can and therefore must be responsible for whatever choices between various courses of action or inaction that are open to us as individuals In other essays Flew shows how state welfare systems inevitably corrupt and demoralize their citizens by encouraging ever more people to apply for welfare entitlements and reducing the incentives to avoid or escape the conditions warranting those entitlements He investigates the origins of this new kind of welfare entitlement and shows how very different what politicians and public sector employees produce is from what these people claim to be producing Flew shows that the drive for social justice appears to require that the justly acquired income and wealth of all citizens should be progressively taxed away or supplemented by the state so that the eventual result is more though never perfect equality This objective he asserts must be radically distinguished from old fashioned without prefix or suffix justice It was this type of justice Adam Smith referred to when he famously said that it is a virtue of which the observance is not left to the freedom of our wills but which may be extorted by force Flew question the aims of those who would discredit wealth creators and wealth creating investment showing that these are the same people who prom **Disestablishing the School** James Tooley, 2017-07-05 This book arrives at a defence of markets in educational provision funding and regulation through a philosophical challenge to justifications for state intervention in education **The Ethical School** Felicity Haynes, 2002-01-04 Conflicts often arise between regulations making it difficult for school management teams and teachers to resolve situations with appropriate dignity and respect for all concerned This book discusses provocative actual case studies to help teachers to reflect on their own ethics guiding them to make more reasonable decisions in their schools and

thereby gradually transforming schools into more cohesive and caring communities A model of consequences consistency and caring each aspect based on traditional ethical theories provides a scientific base a rational and a responsive base for ethical decision making This work covers such everyday problems as censorship inclusivity school uniform punishment personal gain and confidentiality and argues that care and respect for others equity rational autonomy and concern for long term benefits are more important for a school community than short term power and control Learning Outcomes, Academic Credit and Student Mobility Christine Arnold, Mary Wilson, Jean Bridge, Mary Catherine Lennon, 2020-10-30 There is increasing interest in the use of learning outcomes in postsecondary education and deliberations have surfaced with regard to their potential to serve as a tool for advancing credit transfer Learning Outcomes Academic Credit and Student Mobility assesses the conceptual foundations assumptions and implications of using learning outcomes for the purposes of postsecondary credit transfer and student mobility Through a critical review of current approaches to the use of learning outcomes across national and international jurisdictions scholars and practitioners in postsecondary education provide a multivalent examination of their potential impacts in the unique context of Ontario and recommend future directions for the system The collected works are the culmination of a multi year study entitled Learning Outcomes for Transfer funded by the Ontario Council on Articulation and Transfer Contributions are authored by prominent international scholars across countries with significant outcomes based experience and education reforms South Africa the United States Australia Europe and the United Kingdom and an Ontario research consortium comprising college and university experts working to advance student pathways
