Sociology The Internet Edition Non Infotrac Version:

Sociology Rodney Stark,2001 **Ie Soc Global Perspect** Ferrante,2002-07 **Renegade Kids, Suburban Outlaws** Wayne S. Wooden,Randy Blazak,2001 Topics covered include exploring boundary between deviance and criminality in the lives of young people who are deeply involved in the youth culture show how youth culture is not a set of categories so much as it is a dynamic and creative response to the confusions of growing up in modern society **Applied Sociology** Stephen F. Steele,Jammie Price,2004 This concise user friendly book addresses a common question of many introductory sociology students What can I do with sociology The book introduces students to sociology as an active and relevant way to understand human social interaction by offering a clear direct linkage between sociology and its practical use It focuses on the core concepts in sociology terms and topics contemporary and practical skills used by sociologists to investigate these concepts tools and then contains concrete exercises for learning and applying these skills tasks The book also includes brief sections on using sociology to make a difference in the community and on developing a career in sociology APPLIED SOCIOLOGY is an ideal supplement to traditional sociology texts in order to add an applied perspective to any sociology course

Communication Catalog 2005 Neil Thomson,2004-09 **Sex, Self and Society** Tracey L. Steele,2004 SEX SELF AND SOCIETY THE SOCIAL CONTEXT OF SEXUALITY contains 60 edited articles divided into 15 chapters covering a range of issues dealing with human sexuality Focusing on sexuality as both process and as a social institution the book also covers contemporary issues such as abortion and sexually transmitted diseases **Sociology** Joan Ferrante-Wallace,2006

Essentials of Sociology David B. Brinkerhoff,1999 **Social Problems** Joel M. Charon,Lee Garth Vigilant,2005-05 A unique and groundbreaking collection of 54 articles organized in 11 thematic sections SOCIAL PROBLEMS READINGS WITH FOUR QUESTIONS 2e takes a structural conflict approach yet lets the voices of those impacted by social problems be heard The articles are a mix of classic and contemporary readings covering a wide range of issues in the United States and the world The introductory article written by Joel Charon focuses on four questions that students are urged to apply throughout the reader What is the problem What makes the problem a social problem What causes the problem What can be done This four questions approach gives students a consistent sociological framework within which to analyze social problems The articles have been painstakingly selected to hold student interest highlight contemporary social problems and help professors show students how to think sociologically about the social problems around us **Introduction to Sociology (with InfoTrac)** Henry L. Tischler,2001-12-06 This revised edition of Tischler s INTRODUCTION TO SOCIOLOGY continues a tradition of providing proven textbooks to students and professors at lower prices This value is enhanced with the inclusion of the built in study guide and practice tests The author threads two basic ideas through the text that sociology is a rigorous scientific discipline and that a basic knowledge of sociology is essential for understanding social interaction in many work and social settings Each chapter progresses from a specific to a general analysis of society each part introducing increasingly

more comprehensive factors necessary for a broad based understanding of social organization **Irm Notebook-Sociology**

Andersen,2003-06 **Sociology** Jon M. Shepard,1999 This comprehensive mainstream text presents the basic theoretical conceptual and methodological tenets of sociology in a readable and personal manner Its balanced presentation challenges students to pose their own questions about society and to think critically about the world in which they live It presents the study of sociology as a means by which students can transcend personal and societal prejudices This Seventh Edition continues its tradition of integrating innovative pedagogy directly into the book such as a built in student study guide lecture launching CNN video segments that link to text specific topics and continued use of the SQ3R survey question read recite and review learning technique **Understanding Dying, Death, and Bereavement** Michael R. Leming,George E. Dickinson,2007 Using a social psychological approach this edition remains solidly grounded in theory and research but places greater emphasis on the individual and coping with death and dying These two well known authors and researchers integrate stimulating personal accounts throughout the text and apply concepts to specific examples that deal with cross cultural perspectives and the practical matters of death and dying *Introductory Sociology Research Updates* Wadsworth,2006 A stepping stone to complement and expand discussion and research this unparalleled resource provides topic specific readings on different issues that correlate with the Introduction to Sociology course This reader has been carefully designed to include recent InfoTrac articles on each aspect of the core Introduction to Sociology curriculum covering topic areas such as global stratification aging health care and social movements among others The articles have been chosen from periodicals across sociology and other related disciplines to provide a wide range of discussion materials These current readings help expose both students and instructors to the ever changing sociological world and provide material for discussions and writing assignments on foundational sociological concepts Most importantly the articles will help students begin to understand how sociologists write think and research **Clio Wired** Roy Rosenzweig,2011-01-27 In these pathbreaking essays Roy Rosenzweig charts the impact of new media on teaching researching preserving presenting and understanding history Negotiating between the cyberenthusiasts who champion technological breakthroughs and the digital skeptics who fear the end of traditional humanistic scholarship Rosenzweig re envisions the practices and professional rites of academic historians while analyzing and advocating for the achievements of amateur historians While he addresses the perils of doing history online Rosenzweig eloquently identifies the promises of digital work detailing innovative strategies for powerful searches in primary and secondary sources the increased opportunities for dialogue and debate and most of all the unprecedented access afforded by the Internet Rosenzweig draws attention to the opening up of the historical record to new voices the availability of documents and narratives to new audiences and the attractions of digital technologies for new and diverse practitioners Though he celebrates digital history s democratizing influences Rosenzweig also argues that the future of the past in this digital age can only be ensured through the active resistance to efforts by corporations to control access

and profit from the Web **New Perspectives on Human-Animal Interactions** Sarah Knight, Harold Herzog, Rick H. Hoyle, 2009-09-01 Animals are important in human psychological and cultural life and our relationships with other species are psychological and morally complicated This special issue presents a series of original research articles concerning attitudes towards animals the ethics of their treatment the effects of companion animals on human health and psychological well being and the role that culture plays in our interactions with other species The articles illustrate the scope of the new field of human animal relationships the variety of research approaches and the implications of research findings for social policy The Basics of Social Research Earl R. Babbie, 2008 This thorough revision of Babbie s standard setting book presents a succinct straightforward introduction to the field of research methods as practiced by social scientists Contemporary examples such as terrorism Alzheimer s disease anti gay prejudice and education and the legalization of marijuana make this Fourth Edition thoroughly fascinating as it introduces you to the how tos and whys of social research methods The book s new qualitative coverage combined with its already strong quantitative material makes this new edition Babbie s best yet Babbie long respected in the field and renowned for his engaging and friendly writing style gives you the tools you need for understanding social research methods and for applying these concepts both inside and outside the classroom as a researcher and as a consumer of research With a strong emphasis on ethics and additional qualitative material this Fourth Edition is authoritative yet student friendly and engaging enough to help you connect the dots between the world of social research and the real world **Changing Corporate America from Inside Out** Nicole Christine Raeburn, Despite the backlash against lesbian and gay rights occurring in cities and states across the country a growing number of corporations are actually expanding protections and benefits for their gay and lesbian employees Why this should be and why some corporations are increasingly open to inclusive policies while others are determinedly not is what Nicole C Raeburn seeks to explain in *Changing Corporate America from Inside Out* A long overdue study of the workplace movement Raeburn s analysis focuses on the mobilization of lesbian gay and bisexual employee networks over the past fifteen years to win domestic partner benefits in Fortune 1000 companies Drawing on surveys of nearly one hundred corporations with and without gay networks intensive interviews with human resources executives and gay employee activists as well as a number of case studies Raeburn reveals the impact of the larger social and political environment on corporations openness to gay inclusive policies the effects of industry and corporate characteristics on companies willingness to adopt such policies and what strategies have been most effective in transforming corporate policies and practices to support equitable benefits for all workers Nicole C Raeburn is assistant professor and chair of sociology at the University of San Francisco The Research Process Myrtle S. Bolner, Gayle A. Poirier, 2004 *Internet Predators* Harry Henderson, 2014-05-14 Provides an overview of issues related to criminal and antisocial activity that occurs online including history terminology biographical information on important individuals and a complete annotated bibliography
