to understand how applied higher law as spoken of through Biblical principles Metaphysics and the Esoteric our lives can become more of what we desire for them to be and easier than we would have thought This is cause of great optimism for any of us whom choose these higher understandings Using some concepts offered through the writings of Esther and Jerry Hicks of Abraham Hicks Ms James discusses the how to of the Invisible Escrow the place where all of our desires reside including money prior to appearing physically From The Preface This Book May Be For You If you are someone who wants to believe in what they can t see yet this book may be for you If you are someone who realizes that with a little practice your life could be a little and then a lot better then this book may be for you If you are someone who has read in other places that hope is not a strategy I m here to let you know that hope is a wonderful strategy It is my highest hope for you that you move just a little bit forward feel a little bit better and then see the wonder of your life unfold And if you are someone who is already familiar with themes of this sort you may find something that you enjoy to add to where you already are From The Introduction I ve written in my earlier books some of my experiences and the higher tools I ve used This newest book is simply more of my own expansion from where I have been This book is not for everyone nor is the study and understanding of non physical entities and their way of helping us through others But if you believe in Angels and the like then maybe there s a crack open for some new level of understanding I ve hungered for higher information and then applying what I ve learned in my own experience That s how I know this works And oh yes it is MUCH Easier this way And I LOVE it So The Truth Does Not Bend But Our Use Of It Allows Us To Bend Everything Susan James *Castles & Buttons-(Book One) How to Have Everything by Doing Nothing (Susan James)* Susan James,2017-10-01 Castles Buttons Book One How to Have Everything by Doing Nothing Susan James Advanced Higher Mechanics Castles Buttons Book One How to Have Everything by Doing Nothing Advanced Higher Mechanics Castles Buttons The Same But How One of the first phrases I latched onto in my beginning study of higher things was the phrase mentioned in Abraham Hicks material Castles and Buttons are the same My first thought was how can that be And since I have an investigative nature I set out to find out just how Castles and Buttons are the same For those new to the study of metaphysics and things of a higher nature the phrase Castles and Buttons are the same implies that it is just as easy to create a Castle as it is a button It s as easy to create a wonderful expansive lifestyle as it is to live in the ruins of one Again I asked How in the world can that be And if it is true how can it be easy The entire Castle s series is about my belief in the Promises and my getting there I want you to know I ve been where you are and I ll give you examples of how I ve expanded beyond it I ll give you things to try which worked for me Things which helped me find out for myself that yes indeed Castles and Buttons are the same And We can have what we want without all of the doing and without goofin it up first as was the sub title of one of my first books and Editors Choice winner Manifesting 101 Beyond Castle s is based on The Ideal The Law And this law says that only the best of the best is the only thing that we should be choosing The Best The Best of The Best Castle s is about not settling for less than what we really want And most importantly forget about anything other than Plan A

There is no Plan B once we understand what we have in our hands We ll use examples that are of your life And I know they are of your life as I ve lived it I ve had the broken cars broken finances broken relationships but my understanding of what I had hold of as long as I would practice and apply it would move all of my mountains and moved me smack dab in the middle of my castles It brought new and better in everything Things showed up without struggle and strife and concern Then it became automatic Automatic as in when it turns dusk the lights on the light pole automatically come on Automatic as in breathing and walking without having to think about it first Automatic as coin in the drink machine drink pops out Automatic as when we play the card game Free Cell we make one move and many others automatically are moved for us Automatic is becoming The Genie Some of the themes covered in Castles Buttons Book One Bricks Without Straw Unlimitedness Doing The Impossible Easily How Do We Begin Having Our Castles and Not Settling For The Buttons Profusion Abundance The Opposite of The Other Shoe Dropping The Opposite of Limited is Not Un Limited When The Ton of Bricks Becomes An Avalanche And What To Do About It A Done Deal Example From My Beginning Days of Understanding How Long Do I Use The Swords and How Long Before We See Results The Golden Parachute vs The Golden Wheelbarrow Quantum Manifesting Accelerated Sword Statements The Learning Curve of Not Having To Do Anything Manifestation A Shortcut to Easy and Automatic Enjoy the entire Castle s and Buttons Series and you too may then understand how creating Castles or Buttons is the same and everything you want is already there for you
