Socrates And The Political Community An Ancient Debate:

Socrates and the Political Community Mary P. Nichols, 1987-01-01 This book takes a fresh look at Socrates as he appeared to three ancient writers Aristophanes who attacked him for his theoretical studies Plato who immortalized him in his dialogues and Aristotle who criticized his political views It addresses the questions of the interrelation of politics and philosophy by looking at Aristophanes Clouds Plato's Republic and Book II of Aristotle's Politics three sides of a debate on the value of Socrates' philosophic life Mary Nichols first discusses the relation between Aristophanes and Plato showing that the city as Socrates' place of activity in the Republic resembles the philosophic thinktank mocked in Aristophanes Clouds By representing the extremes of the Republic's city Plato shows that the dangers attributed by Aristophanes to the city are actually inherent in political life itself They were to be moderated by Socratic political philosophy rather than Aristophanean comedy Nichols concludes by showing how Aristotle addressed the question at issue between Plato and Aristophanes when he founded his political science Judging Plato's and Aristophanes' positions as partial Nichols argues that Aristotle based his political science on the necessity to philosophy of political involvement and the necessity to politics of philosophical thought

Socrates on Friendship and Community Mary P. Nichols, 2009 In Socrates on Friendship and Community Mary P. Nichols addresses Kierkegaard's and Nietzsche's criticism of Socrates and recovers the place of friendship and community in Socratic philosophizing This approach stands in contrast to the modern philosophical tradition in which Plato's Socrates has been viewed as an alienating influence on Western thought and life Nichols' rich analysis of both dramatic details and philosophic themes in Plato's Symposium Phaedrus and Lysis shows how love finds its fulfilment in the reciprocal relation of friends Nichols also shows how friends experience another as their own and themselves as belonging to another Their experience she argues both sheds light on the nature of philosophy and serves as a standard for a political life that does justice to human freedom and community

Socratic Rationalism and Political Philosophy Paul Stern, 1993-08-20 In this new interpretation of Plato's Phaedo Paul Stern considers the dialogue as an invaluable source for understanding the distinctive character of Socratic rationalism First he demonstrates contrary to the charge of such thinkers as Nietzsche Heidegger and Rorty that Socrates' rationalism does not rest on the dogmatic presumption of the rationality of nature Second he shows that the distinctively Socratic mode of philosophizing is formulated precisely with a view to vindicating the philosophic life in the face of these uncertainties And finally he argues that this vindication results in a mode of inquiry that finds its ground in a clear understanding of the problematical but enduring human situation Stern concludes that Socratic rationalism aware as it is of the limits of reason still provides a nondogmatic and nonarbitrary basis for human understanding

The Political Theory of Aristophanes Jeremy J. Mhire, Bryan-Paul Frost, 2014-04-01 Examines the political dimensions of Aristophanes' comic poetry This original and wide ranging collection of essays offers for the first time a comprehensive examination of the political dimensions of that madcap comic poet Aristophanes Rejecting the claim that Aristophanes is little

more than a mere comedian the contributors to this fascinating volume demonstrate that Aristophanes deserves to be placed in the ranks of the greatest Greek political thinkers As these essays reveal all of Aristophanes plays treat issues of fundamental political importance from war and peace poverty and wealth the relation between the sexes demagoguery and democracy to the role of philosophy and poetry in political society Accessible to students as well as scholars The Political Theory of Aristophanes can be utilized easily in the classroom but at the same time serve as a valuable source for those conducting more advanced research Whether the field is political philosophy classical studies history or literary criticism this work will make it necessary to reconceptualize how we understand this great Athenian poet and force us to recognize the political ramifications and underpinnings of his uproarious comedies *The Public and the Private in Aristotle's Political Philosophy* Judith A. Swanson, 2019-03-15 Aristotle offers a conception of the private and its relationship to the public that suggests a remedy to the limitations of liberalism today according to Judith A Swanson In this fresh and lucid interpretation of Aristotle s political philosophy Swanson challenges the dominant view that he regards the private as a mere precondition to the public She argues rather that for Aristotle private activity develops virtue and is thus essential both to individual freedom and happiness and to the well being of the political order Swanson presents an innovative reading of The Politics which revises our understanding of Aristotle s political economy and his views on women and the family slavery and the relation between friendship and civic solidarity She examines the private activities Aristotle considers necessary to a complete human life maintaining a household transacting business sustaining friendships and philosophizing Focusing on ways Aristotle s public invests in the private through law rule and education she shows how the public can foster a morally and intellectually virtuous citizenry In contrast to classical liberal theory which presents privacy as a shield of rights protecting individuals from one another and from the state for Aristotle a regime can attain self sufficiency only by bringing about a dynamic equilibrium between the public and the private The Public and the Private in Aristotle s Political Philosophy will be essential reading for scholars and students of political philosophy political theory classics intellectual history and the history of women **Plato's Philosophers** Catherine H. Zuckert, 2009-08-01 Faced with the difficult task of discerning Plato s true ideas from the contradictory voices he used to express them scholars have never fully made sense of the many incompatibilities within and between the dialogues In the magisterial Plato s Philosophers Catherine Zuckert explains for the first time how these prose dramas cohere to reveal a comprehensive Platonic understanding of philosophy To expose this coherence Zuckert examines the dialogues not in their supposed order of composition but according to the dramatic order in which Plato indicates they took place This unconventional arrangement lays bare a narrative of the rise development and limitations of Socratic philosophy In the drama s earliest dialogues for example non Socratic philosophers introduce the political and philosophical problems to which Socrates tries to respond A second dramatic group shows how Socrates develops his distinctive philosophical style And finally the later dialogues feature interlocutors who reveal his philosophy s

limitations Despite these limitations Zuckert concludes Plato made Socrates the dialogues central figure because Socrates raises the fundamental human question what is the best way to live Plato s dramatization of Socratic imperfections suggests moreover that he recognized the apparently unbridgeable gap between our understandings of human life and the nonhuman world At a time when this gap continues to raise questions about the division between sciences and the humanities and the potentially dehumanizing effects of scientific progress Zuckert s brilliant interpretation of the entire Platonic corpus offers genuinely new insights into worlds past and present A ^AWolf in the City Cinzia Arruzza,2018-09-26 A Wolf in the City is an illuminating study of tyranny in Plato s Republic It argues that Plato s critique of tyranny should not be taken as a critique of the Syracusan tyrannical regime but as part of his critique of democracy and it offers the first in depth analysis of all three parts of the tyrant s soul Political Philosophy Comes to Rick's James F. Pontuso,2005-01-01 Casablanca is a movie about love and loss virtue and vice good and evil duty and treachery courage and weakness friendship and hate It is a story that ends well but only because the main characters make a heartbreaking choice Casablanca is perhaps the most widely viewed motion picture ever made often finishing on critics lists second only to Citizen Kane What accounts for its continuing popularity What chord does it strike with audiences What lesson does Casablanca teach Americans about themselves What influence does popular culture have on public mores The contributors to Political Philosophy Comes to Rick s take up these questions finding that Casablanca raises many of the most important issues of political philosophy Perhaps Casablanca has an enduring quality because it like political philosophy raises questions of human life the nature of love friendship courage honor responsibility and justice Plato's Introduction to the Question of Justice Devin Stauffer,2001-01-01 Plato s Introduction to the Question of Justice uncovers the heart of the Platonic analysis of justice by focusing on the crucial opening sections of the Republic Stauffer argues that the dialectical confrontations with ordinary opinion presented in these sections provide the basis for Plato s view of justice and that they also help to show how Plato s thought remains relevant today especially as a rival to Kantianism Tragedy and Enlightenment Christopher Rocco,2023-04-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1997 **Aristotle's Criticism of Plato's Republic** Robert Mayhew,1997-08-28 The first five chapters of the second book of Aristotle s Politics contain a series of criticisms levelled against Plato s Republic Despite the abundance of studies that have been done on Aristotle s Politics these chapters have for the most part been neglected there has been no book length study of them this century In this important new book Robert Mayhew fills this unfortunate gap in Aristotelian scholarship analyzing these chapters in order to discover what they tell us about Aristotle s political philosophy Mayhew demonstrates that in Politics II 1 5 Aristotle is presenting his views on an extremely fundamental issue the unity of the city Indeed he states

almost all of Aristotle's criticisms of the Republic center on this important subject in one way or another. Only by understanding Aristotle's views on the proper unity of the city, Mayhew explains, can we adequately discover his views on the proper relationship between the individual and the city. Students and scholars of classical political philosophy will be greatly interested in this innovative book. *Homer and the Tradition of Political Philosophy* Peter J. Ahrensdorf, 2022-08-25 In this book Peter Ahrensdorf explores an overlooked but crucial role that Homer played in the thought of Plato, Machiavelli, and Nietzsche concerning notably the relationship between politics, religion, and philosophy, and in their debates about human nature, morality, the proper education for human excellence, and the best way of life. By studying Homer in conjunction with these three political philosophers, Ahrensdorf demonstrates that Homer was himself a philosophical thinker and educator. He presents the full force of Plato's critique of Homer and the paramount significance of Plato's achievement in winning honor for philosophy. Ahrensdorf also makes possible an appreciation of the powerful concerns expressed by Machiavelli and Nietzsche regarding that achievement. By uncovering and bringing to life the rich philosophic conversation among these four foundational thinkers, Ahrensdorf shows that there are many ways of living a philosophic life. His book broadens and deepens our understanding of what a philosopher is. **The Woman Question in Plato's Republic** Mary Townsend, 2017-08-07 In this book Mary Townsend proposes that, contrary to the current scholarship on Plato's Republic, Socrates does not in fact set out to prove the weakness of women. Rather, she argues, that close attention to the drama of the Republic reveals that Plato dramatizes the reluctance of men to allow women into the public sphere and offers a deeply aporetic vision of women's nature and political position, a vision full of concern not only for the human community but for the desires of women themselves. *The Internet in China* Zixue Tai, 2007-05-07 The Internet in China examines the cultural and political ramifications of the Internet for Chinese society. The rapid growth of the Internet has been enthusiastically embraced by the Chinese government, but the government has also rushed to seize control of the virtual environment. Individuals have responded with impassioned campaigns against official control of information. The emergence of a civil society via cyberspace has had profound effects upon China. For example, in 2003, based on an Internet campaign, the Chinese Supreme People's Court overturned the ruling of a local court for the first time since the Communist Party came to power in 1949. The important question this book asks is not whether the Internet will democratize China, but rather in what ways the Internet is democratizing communication in China. How is the Internet empowering individuals by fostering new types of social spaces and redefining existing social relations? **The Talking Greeks** John Heath, 2005-05-12 When considering the question of what makes us human, the ancient Greeks provided numerous suggestions. This book argues that the defining criterion in the Hellenic world, however, was the most obvious one: speech. It explores how it was the capacity for authoritative speech, which was held to separate humans from other animals, gods from humans, men from women, Greeks from non-Greeks, citizens from slaves, and the mundane from the heroic. John Heath illustrates how Homer's epics trace the development of immature young

men into adults managing speech in entirely human ways and how in Aeschylus Oresteia only human speech can disentangle man beast and god Plato's Dialogues are shown to reveal the consequences of Socratically imposed silence With its examination of the Greek focus on speech animalization and status this book offers new readings of key texts and provides significant insights into the Greek approach to understanding our world **The Socratic Method Today** Lee

Trepanier, 2017-12-14 This exciting new textbook provides a sophisticated examination of the Socratic method for teaching political science students in higher education It shows how the Socratic method is employed in the Platonic dialogues compares its transformative approach to other student centered teaching philosophies and addresses the challenges of adopting the Socratic method in the contemporary classroom The book is divided into three sections that integrate these practical aspects on the Socratic method with the theoretical considerations of Socratic philosophy while also addressing contemporary concerns about teaching and learning in higher education Section One explores how the Socratic method is portrayed by Socrates in Plato's dialogues Section Two compares the Socratic method with modern and contemporary accounts of teaching and learning Section Three examines some of the contemporary challenges of practicing the Socratic method in the university classroom today and how teachers can overcome them Written in a clear and engaging style this timely intervention is essential reading for upper undergraduate students enrolled in courses that specialize in pedagogical techniques political theory Socratic philosophy and law Plato and Aristotle on Constitutionalism Raymond

Polin, 2019-01-04 First published in 1998 this volume compares the political ideals and ideas of Plato and Aristotle to examine whether they are relevant in that era of American constitutional crisis The author Raymond Polin felt that debate had been hampered by focusing too strongly on America's existing constitutional system and hoped that exploring the roots of Western political tradition and alternative conceptions of constitutionalism might increase the kind of understanding humanity should seek He considers concepts of constitutionalism gives summary accounts of the philosophers lives and times identify their key political ideas and reproduces some of their work verbatim with the aim being to serve as a textbook for constitutional education It will be of interest to teachers and students of the American system of government **Cities of the Gods** Doynne

Dawson, 1992-07-09 Modern studies of classical utopian thought are usually restricted to the Republic and Laws of Plato producing the impression that Greek speculation about ideal states was invariably authoritarian and hierarchical This book however sets Plato in the context of the whole ancient tradition of philosophical utopia It distinguishes two types of Greek utopia relating both to the social and the political background of Greece between the fifth and third centuries B C There was a lower utopianism meant for literal implementation which arose from the Greek colonizing movement and a higher theoretical form which arose from the practical utopias Dawson focuses on the higher utopianism whose main theme was total communism in property and family He attempts to reconstruct the lost utopian works of the Stoics arguing that their ideal state was universal and egalitarian in deliberate contrast to the hierarchical and militaristic utopia of Plato and that

both theories were intended to bring about long range social reform though neither was meant for direct implementation Dawson offers an explanation for the disappearance of the utopian tradition in the later Hellenistic age A final chapter traces the survival of communistic ideas in early Christianity A Textual Introduction To Social and Political Theory Richard Paul Bellamy, Angus C. Ross, 1996-05-15 This book offers a stimulating new approach to studying social and political theory It combines specially selected extracts from the political classics with original and insightful essays offering a commentary upon them The reader is drawn into a dialogue with the Western political tradition s principal thinkers whose ideas provide a common currency in which to debate the problems facing modern societies Each of the twelve chapters combines extracts from two or in one case three political philosophers on a key political concept with a commentary essay Each chapter does more than just introduce the reader to the classics it also explains via the commentary essay the key concepts of political debate and the historical contexts which led the thinkers to their different understandings of the nature of society

Citizens and Statesmen Mary P. Nichols, 1991-12-12 Two important criticisms of contemporary liberalism turn to Aristotle s political thought for support that which advocates participatory democracy and that sympathetic to the rule of a virtuous or philosophic elite In this commentary on Aristotle s politics the author explores how Aristotle offers political rule as an alternative to both the rule of aristocratic virtue and an unchecked participatory democracy Writing in lucid prose she offers an interpretation grounded in a close reading of the text and combining a respectful and patient attempt to understand Aristotle in his own terms with a wide sympathetic and argumentative reading in the secondary literature

Socrates And The Political Community An Ancient Debate Introduction

In today's digital age, the availability of Socrates And The Political Community An Ancient Debate books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Socrates And The Political Community An Ancient Debate books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Socrates And The Political Community An Ancient Debate books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Socrates And The Political Community An Ancient Debate versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Socrates And The Political Community An Ancient Debate books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Socrates And The Political Community An Ancient Debate books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Socrates And The Political Community An Ancient Debate books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Socrates And The Political Community An Ancient Debate books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Socrates And The Political Community An Ancient Debate books and manuals for download and embark on your journey of knowledge?

FAQs About Socrates And The Political Community An Ancient Debate Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Socrates And The Political Community An Ancient Debate is one of the best book in our library for free trial. We provide copy of Socrates And The Political Community An Ancient Debate in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Socrates And The Political Community An Ancient Debate. Where to download Socrates And The Political Community An Ancient Debate online for free? Are you looking for Socrates And The Political Community An Ancient Debate PDF? This is definitely going to save you time and cash in something you should think about.
