There have been many doubts about the truth of Scripture and this is the reason why numerous Biblical events and stories are going to be verified by physical evidence in these last days of planet earth so that all mankind will have undeniable proof that what the Bible says is TRUE      The Scroll Bible Commentary Vol 1 Harris Kakoulides, The Scroll Bible Commentary on the Old Testament by Harris Kakoulides with names of God Studies archaeological discoveries notes from the Mr Kakoulides and the Bible podcast Arguments for Moses Isaiah Daniel authorship evidence for flat earth theory reasons not to tithe references and quotes from Josephus Phileo Rashi and many more Truly a commentary you would want to have close on your side      **Mr Kakoulides Commentary of the Old Testament** Harris Kakoulides , Harris Kakoulides Commentary on the Old Testament for download updated with names of God Studies archaeological discoveries notes from the Mr Kakoulides and the Bible podcast Arguments for Moses authorship evidence for flat earth theory reasons not to tithe references and quotes from Josephus Phileo Rashi and many more Truly a commentary you would want to have close on your side No more updates on this Commentary is being done after this edition      Provenance of Deuteronomy Thirty-two Paul Sanders,1996 A survey of previous literature about the provenance of the song in Deuteronomy 32 and a discussion of its text and poetic structure The author concludes that the song dates from the pre exilic period      **Dignity, Dogmatism, and Same-Sex Relationships** Gilbert Rossing,2009-01-01 In response to the current culture wars over same sex marriage hate crime legislation and the legalization of gay rights Dignity Dogmatism and Same Sex Relationships provides a thorough argument for an ethics of intimacy in same sex relations based equally on science and the Bible After a rigorous interrogation of modern definitions of sexual identity and the usage of biblical passages in support of cultural biases the book redefines the notion of intimacy to include the physical emotional mental social and spiritual dimensions that compose human relationships It thus approaches homosexuality from a whole person perspective and attempts to create understanding rather than foment divisiveness This more comprehensive definition of intimacy allows for a compassionate reading of Scripture in ongoing conversations about the nature of homosexuality and the full inclusion of gay lesbian bi sexual and transgender persons in society It also encourages religious communities to do for same sex couples what they already do for heterosexual couples provide the information counsel and encouragement necessary to foster healthy sexual practices meaningful interpersonal relationships and a cohesive sense of community      **The Provenance of Deuteronomy 32** Paul Sanders,2021-11-15 This study offers an extensive survey of previous literature dealing with the provenance of the song in Deuteronomy 32 a renewed discussion of its text and language as well as an analysis of its poetic structure with the help of a new method The author tests the tenability of older theories and proposes a new theory based on systematic research into the intertextual links with other parts of the Hebrew Bible and extra biblical literature of the Ancient Near East Separate sections are dedicated to the song s descriptions of the relationship between YHWH and the gods and to the identity of the hostile people to which the song refers The author concludes that a pre exilic date is extremely likely for the song in its entirety      Biblical Eschatology

Jeong Koo Jeon, 2021-10-01 Jeon's Biblical Eschatology explores the pattern of covenant eschatology demonstrated and revealed in the Bible throughout redemptive history. In a sense, it is a revolutionary method to freshly examine and look at the entire redemptive history from the perspective of covenant eschatology because the Bible itself is the covenantal canon. Readers will marvel at how the author unpacks the pictorial pattern of covenant eschatology progressively revealed in the Bible. As we live in the Global Mission Age under the grace of God, it is vitally important and necessary to have a proper view of eschatology. Jeon's book will guide believers to a biblically balanced understanding of eschatology and properly equip them with a biblical covenantal and eschatological worldview to live their lives for the glory of God, actively participating in the Global Mission under the guidance of the Holy Spirit as we eagerly wait for the second coming of Jesus Christ. **Jilted**

Vernon Lee Knox, 2019-06-01 The story of the Christian Church and homosexuality is told by highlighting the church's homosexual positions. Several biblical passages have been characterized as condemning same-sex relationships. The open literature and this work provide alternative interpretations. Historically, churches reject alternative interpretations out of hand. In this work, church positions are critiqued both historically and logically. It is argued that the church's refusal to discuss alternative and traditional positions is the result of a religious arrogance that is homophobic. They have inserted themselves into the United States political process with a rhetoric that would deny human rights and life itself. This book prior to publication has been used as a study guide for diversity seminars.
