

WHAT IS SOLA SCRIPTURA?

Sola Scriptura

Matthew Cserhati

Sola Scriptura:

Sola Scriptura ,2017-11-06 Sola Scriptura offers a multi disciplinary reflection on the theme of the priority and importance of Scripture in theology from historical biblical theological and systematic theological perspectives aiming at the interaction between exegesis and dogmatics Brian Brock and Kevin J Vanhoozer offer concluding reflections on the theme bringing the various contributions together *Scripture Alone?* Joel Peters,1999-12 Here are the classic reasons why the Protestant dogma of Sola Scriptura Scripture Alone is absolutely wrong is unscriptural man made and prevents Protestants from ever having a firm doctrinal foundation The book shows that Christ gave us Tradition and the teaching authority of His Church the first Christians did not have a complete Bible and Scripture itself states that it is insufficient of itself calling the Church and not the Bible the pillar and ground of the truth **Sola Scriptura!** John MacArthur,Robert Godfrey,R. C. Sproul,James White,1995 A sequel to Justification by Faith Alone this aims to restore the confidence of Protestants in the Reformation cry of sola scriptura the sufficiency of the Scriptures as the final authority for faith and practice *The Shape of Sola Scriptura* Keith A. Mathison,2001 In what shape do we find the doctrine of sola Scriptura today Many modern Evangelicals see it as a license to ignore history and the creeds in favor of a more splintered approach to the Christian living In the past two decades Roman Catholic and Eastern Orthodox apologists have strongly tried to undermine sola Scriptura as unbiblical unhistorical and impractical But these groups rest their cases on a recent false take on sola Scriptura The ancient medieval and classical Protestant view of sola Scriptura actually has a quite different shape than most opponents and defenders maintain Therein lies the goal of this book an intriguing defense of the ancient and classical Protestant doctrine of sola Scriptura against the claims of Rome the East and modern Evangelicalism The issue of sola Scriptura is not an abstract problem relevant only to the sixteenth century Reformation but one that poses increasingly more serious consequences for contemporary Christianity This work by Keith Mathison is the finest and most comprehensive treatment of the matter I ve seen I highly recommend it to all who embrace the authority of sacred Scripture R C Sproul Ligonier Ministries

Fundamentals of the Faith Peter Kreeft,1988 A collection of essays in which Peter Kreeft examines the fundamental elements of Christianity and Catholicism and their relation to everyday life *The Fight for Sola Scriptura* Matthew Cserhati,2025-01-17 Today the exclusive authority of the Bible is under heavy attack This principle is known as sola scriptura The charismatic movement pays lip service to it it is ignored by liberalism and it is attacked by the Roman Catholic church But even the evangelical world cannot adequately defend the biblical teaching of sola scriptura since even the church has been compromised with competing authorities In this book the reader will understand what sola scriptura is and what it is not and how to articulate it defend it based on the Bible and apply it to his life An overview of the historical development of scriptural authority is provided Several different philosophies will be examined in this book and will be compared with one another on how they relate to Scripture These include the charismatic movement liberal theology Roman Catholicism Eastern

Orthodoxy dispensationalism Open Theism theistic evolution and certain strains of evangelicalism We shall see that the reason extra biblical authorities are given currency is because the authority of the Scriptures themselves are cast into doubt

Sola Scriptura Ben Witherington (III),2023 Chronicles the development of beliefs about Scripture s authority and the concept of Sola Scriptura to the present *The Drama of Doctrine* Kevin J. Vanhoozer,2005-01-01 Observing a strange disappearance of doctrine within the church Kevin Vanhoozer argues that there is no more urgent task for Christians today than to engage in living truthfully with others before God He details how doctrine serves the church the theater of the gospel by directing individuals and congregations to participate in the drama of what God is doing to renew all things in Jesus Christ Taking his cue from George Lindbeck and others who locate the criteria of Christian identity in Spirit led church practices Vanhoozer relocates the norm for Christian doctrine in the canonical practices which he argues both provoke and preserve the integrity of the church s witness as prophetic and apostolic **Retrieving the Tradition and Renewing**

Evangelicalism Daniel H. Williams,1999 A learned and uniquely constructive book that gently urges suspicious Christians to reclaim the patristic roots of their faith This is the first book of its kind meant to help Protestant Christians recognize the early church fathers as an essential part of their faith Writing primarily to the evangelical independent and free church communities who remain largely suspicious of church history and the relationship between Scripture and tradition D H Williams clearly explains why every branch of today s church owes its heritage to the doctrinal foundation laid by postapostolic Christianity Based on solid historical scholarship this volume shows that embracing the catholic roots of the faith will not lead to the loss of Protestant distinctiveness but is essential for preserving the Christian vision in our rapidly changing world *Sola Scriptura* Sidney Greidanus,2001-10-31 This book deals with a key question every pastor faces

nearly every week in preparing sermons That question concerns the appropriate manner of treating the historical material of the Scriptures In the history of the Christian Church this material has often served as the basis for moral lessons or intellectual truths This study presents a careful analysis of the way in which this age old controversy surfaced in the revival of redemptive historical theology in the Reformed churches in Holland between the two world wars It also presents the basis for a fresh approach and is thus exceedingly helpful for both pastors and students **Sola Scriptura Topical Bible: What**

The Cambridge Companion to Postmodern Theology Kevin J. Vanhoozer, 2003-07-31 Postmodernity allows for no absolutes and no essence Yet theology is concerned with the absolute the essential How then does theology sit within postmodernity Is postmodern theology possible or is such a concept a contradiction in terms Should theology bother about postmodernism or just get on with its own thing Can it Theologians have responded in many different ways to the challenges posed by theories of postmodernity In this introductory 2003 guide to a complex area editor Kevin J Vanhoozer addresses the issue head on in a lively survey of what talk about God might mean in a postmodern age and vice versa The book then offers examples of different types of contemporary theology in relation to postmodernity while the second part examines the key Christian doctrines in postmodern perspective Leading theologians contribute to this clear and informative Companion which no student of theology should be without

God's Word Alone---The Authority of Scripture Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

Topical Bible: What Does The Bible Say About Healing? Daniel John, 2020-08-23 70 pages What does The Bible say about Health and Healing Read every reference to angels and angelic beings from The Bible in order from the Book of Genesis to Revelation Sola Scriptura means only the Scriptures and as a concordance lists where in The Bible each keyword appears this book lists each of those references in full context so that you can quickly read everything that The Bible itself says about Healing When you read all of the references to a spiritual topic you will reach the balance point of personal truth and understanding about what The Bible itself says You can mark or highlight those verses that are of most interest or importance Look for other topics in this series of booklets such as Angels Prayer and The Sabbath Also look on Amazon for the Sola Scriptura Topical Bible Top 20 Spiritual Symbols which features 20 of the most important spiritual topics and symbols from the Bible that every person should know including Baptism Commandments Covenant Miracles Heaven The Holy Spirit Resurrection The Son of God and more **The Sola Scriptura Challenge** Brian E. Barnes, 2022-12-01 Before it was written there were a wide variety of views about the end of time held across different Jewish movements Historically there have been four main methods of interpretation in both Judaism and Christianity of which we see all on display in the New Testament The controversy around interpretation of prophecy existed in the days of Jesus led some to reject Christ was not resolved by the Protestant Reformers and still divides our churches today This book looks at how we got here and proposes a way we should all move forward together Using only the Scriptures the sola scriptura approach challenges us to understand what the original audience of the letter from John would have understood By identifying singularities and parallels within the book built from years of research and verse by verse exegetical study we will see how it is the fulfillment of the hopes and expectations of the Hebrew prophets and the early church **Scripture Alone or the Word of God Alone?** Perfect Mugwagwa, 2018-05-31 This work treats the question of Scripture by analysing the properties or the natures of Scriptures Tradition and the Church to prove that all of them are infallible authorities for believers The author also goes at length re analysing the bible verses which protestants use to defend their position on Sola Scriptura they are presented in their proper context thereby refuting the protestant position in an unrefutable manner The book also exposes the double standards on positions used by Protestants in rejecting Tradition but availed with the same position on scriptures they still accept them Simple language was used and this book is mainly for the layman who will quickly be able to grasp the arguments with ease In the second edition a chapter devoted to the discussion of the Nature of Faith has been included to resolve the issue of Sola Fide and the unity of faith Imputed righteousness has been refuted in the book and its main weakness exposed *Evangelical Exodus* Douglas Beaumont, 2016-01-06 Over the course of a single decade dozens of students alumni and professors from a conservative Evangelical seminary in North Carolina Southern Evangelical Seminary converted to Catholicism These conversions were notable as they occurred among people with varied backgrounds and motivations

many of whom did not share their thoughts with one another until this book was produced Even more striking is that the seminary's founder long time president and popular professor Dr Norman Geisler had written two full length books and several scholarly articles criticizing Catholicism from an Evangelical point of view What could have led these seminary students and even some of their professors to walk away from their Evangelical education and risk losing their jobs ministries and even family and friends to embrace the teachings they once rejected as false or even heretical Speculation over this phenomenon has been rampant and often dismissive and misguided leading to more confusion than understanding The stories of these converts are now being told by those who know them best the converts themselves They discuss the primary issues they had to face the nature of the biblical canon the identification of Christian orthodoxy and the problems with the Protestant doctrines of sola scriptura scripture alone and sola fide faith alone *Reformed Catholicity* Michael Allen, Scott R. Swain, 2015-01-13 Can Christians and churches be both catholic and Reformed In this volume two accomplished young theologians argue that to be Reformed means to go deeper into true catholicity rather than away from it Their manifesto for a catholic and Reformed approach to dogmatics seeks theological renewal through retrieval of the rich resources of the historic Christian tradition The book provides a survey of recent approaches toward theological retrieval and offers a renewed exploration of the doctrine of sola scriptura It includes a substantive afterword by J Todd Billings To Whom Shall We Go?: The Biblical Case for the Catholic Church (Reissue) Thomas J. Nash, 2024-01-01 In *To Whom Shall We Go* Thomas J Nash seeks to present anew the real Jesus the Word who became flesh John 1 14 to save all of humanity and to employ his Mystical Bride the Catholic Church as his instrument of salvation and life transforming love Nash makes biblical and historical arguments for the perennial relevance of Jesus and his Church As Nash summarizes well if the Catholic Church were merely a human institution she would've entered the dustbin of history centuries ago both because of internal scandals and external persecutions Instead two thousand years after the Resurrection the Church continues to advance her God given Great Commission Matt 28 18 20
