Danisi,2012-02-07 The critically acclaimed biography Meriwether Lewis coauthored by Thomas C Danisi was praised for its meticulous research and for shedding new light on the adventurous life and controversial death of the great explorer who became famous through the Lewis and Clark Expedition Now the author with some help from contributors extends his groundbreaking studies of Meriwether Lewis with this compilation of historical essays that offers new findings based on recently discovered docu ments tackling such intriguing subjects as The court martial of Meriwether Lewis Danisi s discovery of the astonishing never before published transcript of the entire court martial proceedings affords him the distinction of being the first historian to mine the document for the many insights it offers into the then untested twenty one year old officer who eloquently defended himself and won his case Documentation straight from the medical ledgers of Dr Antoine Saugrain the physician who treated Governor Lewis which helps to confirm that Lewis suffered from malaria prior to his

celebrated trek to the Pacific Ocean with the Corps of Discovery and continuing through his service as governor of the Louisiana Territory. Was Lewis's death as reported the result of suicide or was he merely a victim of this episodic and incurable disease? Documentation that proves the true nature of the much discussed Gilbert Russell statement given at the court martial of General James Wilkinson. Some historians have argued that Wilkinson orchestrated Lewis's murder but Danisi's research sets the record straight. The role of Major James Neelly in Lewis's last days. This subject has gained much prominence through the History Channel according to which Neelly supposedly lied to President Thomas Jefferson about his presence at Meriwether Lewis's burial but Danisi has evidence to the contrary. The author presents an abundance of additional material to fill in previous historical gaps regarding the mysteries and controversies surrounding Lewis's life and death. In doing so he paints a vivid picture of the brilliant rise of an ambitious young man by virtue of courage, talent, and political connections and the tragic fall of a conscientious public servant under the weight of chronic illness, bureaucratic pettiness, and the political intrigue that was rampant throughout America's Wild West. This superb contribution to Meriwether Lewis research is a must read for students and scholars of American history and anyone with an interest in one of our nation's most important explorers and public servants.

Too Many Lovers Paul Taylor, 2010-09-23. This book is a wake up call for Christians who are suffering from the rampant yet unrecognized effects caused by the deception of idolatry. Idolatry is not an outdated practice of extinct religions; it is very much alive and flourishing today. Most Christians who practice idolatry aren't even aware of it. They are suffering spiritually, emotionally, and even physically but can't connect the dots between their misery and their practice of idolatry. How does this happen? Instead of giving the best of our love to the God who deserves it, many Christians have gradually fallen more and more in love with what God created instead of the Creator Himself. With our lips we tell God we love Him, but our everyday thoughts and actions may be revealing that we have other lovers. These so-called lovers seem innocent enough because they offer to give us what we want. But in the end, they betray us by taking the best of what God has given only to leave us poor, empty, and dead inside. Now for the Good News: Our God isn't afraid of idols or idolaters. He is a compassionate and merciful God who may be saying to you today, "Do you know why I stopped you from running after your other lovers? We may even sense His anger, but it is really the passion of a loving God who hates to see His children damaged by the sin of serving false gods. Like any good father, He wants His children to have the best, and it just so happens HE IS THE BEST. Even though you are a Christian, do you find yourself battling emptiness, hopelessness, loneliness, or despair? It may be that you are suffering from Too Many Lovers."
