Soldiers with Little Feet Dian Layton, 1989-05 Children represent how the Lord wants us to be Rather than training children to become Layton suggests that we release them to be who the Lord said they already are great in the Kingdom of God Christianity [A Woman Soldier's Own Story](#) Bingying Xie, 2001-09-18 For the first time a complete version of the autobiography of Xie Bingying 1906 2000 provides a fascinating portrayal of a woman fighting to free herself from the constraints of ancient Chinese tradition amid the dramatic changes that shook China during the 1920s 30s and 40s Xie s attempts to become educated her struggles to escape from an arranged marriage and her success in tricking her way into military school reveal her persevering and unconventional character and hint at the prominence she was later to attain as an important figure in China s political culture Though she was tortured and imprisoned she remained committed to her convictions Her personal struggle to define herself within the larger context of political change in China early in the last century is a poignant testament of determination and a striking story of one woman s journey from Old China into the new world *Report of the Great Re-union of the Veteran Soldiers and Sailors of Ohio Held at Newark, July 22, 1878* Charles D. Green, 2009-03-20 Drawing upon the traditions of their native lands Asian Americans have developed an extensive cultural tradition At the heart of that tradition are some of the world s most colorful folktales These reflect the traditional beliefs of the East as they have been passed down among generations of Asian Americans But they also reflect the struggles successes and experiences of Asian immigrants in the New World Written expressly for students and general readers this book is a fascinating introduction to Asian American folktales This book gathers together a selection of more than 30 Asian American folktales and groups them in thematic sections on origins heroes heroines villains and fools society and conflict and the supernatural These tales reflect the traditional beliefs of the East as well as the new experiences of Asians in America Each tale is accompanied by a headnote and the book closes with a selected general bibliography Students studying literature and language will learn much about these tales while students in social studies and history courses will gain greater insight into the experiences and traditional beliefs of Asian Americans The volume includes a healthy sampling of tales grouped in topical sections on origins heroes heroines villains and fools society and conflict and the

pervasive horrors and human suffering experienced during this tragic chapter The book's context situated against the backdrop of World War I challenges the conventions of memoir and testimony ushering readers toward a deeper understanding of diaspora and identity in the face of atrocity Aurora Mardiganian was a survivor of the Armenian Genocide having endured unimaginable trials during her youth Her experiences as a witness to atrocities along with her subsequent advocacy for Armenian rights propelled her to write *Ravished Armenia* As one of the earliest memoirs of the genocide Mardiganian sought not only to document her personal narrative but also to internationalize the plight of her people shedding light on a historical injustice often shrouded in silence I highly recommend *Ravished Armenia* to anyone interested in exploring the complexities of memory and trauma Mardiganian's poignant storytelling and moral courage make this not just a historical account but a call to reflection and empathy A vital addition to the canon of genocide literature this book illuminates an essential truth about the resilience of the human spirit in the darkest of times
