Solitary Slocum:

The Solitary Slocum Robert Blondin,1992 A fictionalized reconstruction of the famous sailor s difficult and adventure filled life Slocum #393 Jake Logan,2011-10-25 Slocum s on the run from the law and gunning for revenge Slocum knows it s a terrible plan but Conchita was more than persuasive Against his better judgment he agrees to get himself sent to San Quentin under false pretenses find her brother Jos and help him escape It s more trouble than any man should volunteer for and it s only the beginning After the breakout Conchita and Jos seem closer than brother and sister ought to be and they leave Slocum framed for yet another crime he did not commit With both the law and a posse from San Quentin on his back he goes after the underhanded pair and there s no escape from Slocum **Slocum 377** Jake Logan,2010-06-29 Slocum s running hot and cold One man s misfortune is another man s gain In John Slocum s case he gets his hands on road agents poorly hidden bags of stolen silver Making off with the loot he slips into Tombstone hoping to enjoy his winnings peacefully But that s never the case for someone like Slocum Easy on the eyes Spring Atkins can make a man feel warm inside but her heart is as cold as ice Slocum s instinct is on the mark when he learns from her sisters Summer and Autumn that Spring stole the ore rich Silver Chalice mine from them He knows better than to get in the middle of a family dispute but when the road agents come looking for revenge he can use the seasons to his advantage if they don t leave him as dead as a winter frost

Slocum #399 Jake Logan,2012-04-24 Slocum s framed but he won t be hanged Slocum s having trouble sleeping in Abilene The town s overrun with rowdy drunken cowboys but what s really got him wide awake is Mac the man who just shot open his hotel room door accusing him of stealing his wife Martha Before Slocum can reach his gun Mac s dead on the floor and the marshal is arresting Slocum for murder Although his name is cleared Slocum must flee Abilene and an angry mob bent on putting a rope around his neck When he reaches the saloon in the dying town of Gantt he discovers a bounty hunter on his trail and an angry woman with a shotgun saying he killed her husband What s worse is that her name isn t Martha and her husband wasn t Mac Now Slocum must solve two murders or someone will make sure he never sleeps again **A Man for All Oceans: Captain Joshua Slocum and the First Solo Voyage Around the World** Stan Grayson,2017-05-16 The product of years of research A Man for All Oceans is the most comprehensive biography of Slocum ever published and the first written by a small boat sailor Author historian Grayson uncovered previously unknown original source materials to shed new light on one of history s greatest sailors while answering questions that have been asked ever since the publication of *Sailing Alone* In June 1898 three years and two months after departing Boston in his aged oyster sloop *Spray* Captain Joshua Slocum made land fall in New England and became the first person ever to sail alone around the world The voyage capped a lifetime of adventure for the indomitable Slocum who had advanced from seaman to captain during the challenging final years of commercial sail surviving hurricanes mutinies shipwreck and the death at sea of his beloved first wife Virginia *Sailing Alone Around the World* Slocum s book about his circumnavigation is a seafaring classic unmatched for adventure

and literary verve and has never been out of print since its publication in 1900 Yet despite several biographies over the decades Slocum the man has remained unknowable to his legions of admirers the facts of his life and career as elusive as a ship on a fogbound sea Here is the real story of Slocum's Nova Scotia childhood his seafaring career and how he became an American citizen Grayson gives ample evidence of Slocum's uncanny genius as a navigator while also noting the occasional role that good luck played in his voyages including his odyssey from Brazil to the United States in the self designed and built 35 foot *Liberdade* And Grayson brings a sailor's perspective to Slocum's solo circumnavigation and mysterious disappearance at sea A fascinating appendix compares *Sailing Alone Around the World* with Thoreau's *Walden* and shows that Slocum's simple lifestyle and self sufficiency prefigured today's emphases on the environment and living responsibly Previously unpublished photographs bring Slocum's world to life and detailed maps trace the adventures of a sailor who knew the world like the back of his hand This biography reads like an adventure narrative and will serve as the standard work on Joshua Slocum for years to come
