Story Of A Whim:

The Story of a Whim Grace Lutz (formerly Hill, formerly Livingston.),1924 The Story of a Whim Grace Livingston Hill,2019-11-28 The Story of a Whim is a story of a mistaken identity that turned into a beautiful romance When a group of young girls who see some ragged furniture waiting to be shipped away they assume from the name on the address label that it is going to a woman and imagine a story for her life Once the girls find out that the person they were sending the furniture was a male the romance is about to burst The Story of a Whim Grace Livingston Hill,1924 *The Story of a Whim: a Christmas Tale* Grace Livingston Hill,2012-11-30 If a young man spells his name Christie he cannot blame fate when a pretty girl writes him an affectionate letter under the impression that she is corresponding with a girl of her own age To Christie Bailey lonely and discouraged it was a great temptation He answered in the character of a lonely freckled spinster of twenty eight Perhaps it was the clear trusting eyes in the photograph she sent him anyway Christie Bailey not only started that Sunday School and had its benches crowded with little pickaninnies but actually had his friends attending And the girl up North became so interested that without warning she came down to investigate **A Strange Story** Edward Bulwer Lytton Baron Lytton,1861 The Guyana Story Odeen Ishmael,2013 The Guyana Story From Earliest Times to Independence traces the country s history from thousands of years ago when the first Amerindian groups began to settle on the Guyana territory It examines the period of early European exploration leading to Dutch colonization the forcible introduction of African slaves to work on cotton and sugar plantations the effects of European wars and the final ceding of the territory to the British who ruled it as their colony until they finally granted it independence in 1966 The book also tells of Indian Chinese and Portuguese indentured immigration and shows how the cultural interrelationships among the various ethnic groups introduced newer forms of conflict but also brought about cooperation in the struggles of the workers for better working and living conditions The final part describes the roles of the political leaders who arose from among these ethnic groups from the late 1940s and began the political struggle against colonialism and the demand for independence This struggle led to political turbulence in the 1950s and early 1960s when the country was caught in the crosshairs of the cold war resulting in joint British American devious actions that undermined a democratically elected pro socialist government and deliberately delayed independence for the country until a government friendly to their international interests came to power A Strange Story Edward George Earle Bulwer-Lytton,1861 *A strange story, by the author of 'Rienzi'*. Edward George E.L. Bulwer- Lytton (1st baron.),1862 **A Strange Story by Sir Edward Bulwer Lytton, Bart** ,1862 **A strange story; and The haunted and the haunTERS, by the author of 'Rienzi'.
