School Start Year 1 Catherine de la Bedoyere, Catharine Lowry, 2018-09-05. This highly practical resource is designed to be used with children who need additional help in developing communication skills in Year 1. It offers a carefully structured group intervention which can be delivered by teachers or teaching assistants and is designed to boost language and sound awareness skills. School Start Year 1 includes detailed advice on how to set up the programme and identify children who may benefit. A structured programme of 30 Language group sessions, a structured programme of 30 Sound Awareness group sessions, activities and learning objectives that link with the Primary curriculum, 56 resource templates that can be photocopied or downloaded from the website, templates to monitor each child's objectives, and an end of year evaluation. Activities are supported by colourful and original illustrations to engage children's interest and are themed around topics such as animal antics, detective stories, and the seaside. An additional 5 template sessions are provided which can be used to extend the programme into Year 2. The authors provide clear guidance on how to use the resources and include an FAQ section for schools, parents, and Speech and Language Therapists. This latest resource is a follow-on to the hugely popular School Start and Pre School Start and has been successfully piloted in schools. This is an invaluable resource for primary school staff that encourages good collaborative practice between teachers, teaching assistants, inclusion co-ordinators, SENCOs, speech and language therapists, and parents.

Storyfun for Starters Teacher's Book with Audio CD Karen Saxby, 2011-06-16. Enjoyable story-based practice for the Cambridge Young Learners English (YLE) Tests. Storyfun for Starters Teacher's Book includes an Audio CD with recordings of the stories and listening activities from the Student's Book. Teachers can use the stories to capture learners' imagination. Stories are exploited to present YLE tasks in a motivating and easy-to-use way. Each story unit provides enough material to cover between 90-180 minutes class time. Enjoyable activities including games, projects, and poems are balanced with exam-style questions to make learning fun. Teaching tips and photocopiable activities are included, and teachers can be confident the test preparation provides coverage of key areas of Cambridge Young Learners English grammar and vocabulary.

The Human Animal Eric T. Olson, 1999-09-02. Most philosophers writing about personal identity in recent years claim that what

it takes for us to persist through time is a matter of psychology In this groundbreaking new book Eric Olson argues that such approaches face daunting problems and he defends in their place a radically non psychological account of personal identity He defines human beings as biological organisms and claims that no psychological relation is either sufficient or necessary for an organism to persist Rejecting several famous thought experiments dealing with personal identity he instead argues that one could survive the destruction of all of one's psychological contents and capabilities as long as the human organism remains alive
