Transgressive Sexuality in Screenwriting LJ Theo,2017-10-09 This book approaches the construction of complex and transgressive pervert characters in mainstream not art adult oriented not pornographic cinema It deconstructs an episteme on which to base the construction of characters in screenplays in a way that acknowledges how semiotic elements of characterisation intersect In addition it provides an extended re phrasing of the notion of the pervert as Feiticiero a a newly coined construct that might serve as an underpinning for complex sexual filmic characters that are both entertaining and challenging to audiences This re phrasing speaks to both an existential phenomenological conception of personhood and to the scholarly tradition of the linguistic turn of continental philosophers such as Foucault and Lacan who represent language not primarily as describing the world but as constructing it The result is an original and interdisciplinary volume that is brought to coherence through a queer post humanist lens **Wolf or Dog?** Adam Weishaupt,2013-01-27 There are two

types of human being wolves aggressive assertive dominants who are determined to get what they want and dogs timid domesticated submissives continually at the mercy of the wolves Capitalism is a wolf ideology Christianity Islam and Judaism are dog religions intent on forcing you onto your knees and making you obey endless commandments The capitalist wolves can prey on the Christian dogs who simply turn the other cheek Democracy is another perfect vehicle for wolves The people the dogs are given the illusion that they are in control yet all democracies are just oligarchies and plutocracies The wolves decide the political agenda and the candidates The people merely choose which wolf will feed on them So are you wolf or dog This is a book by the Pythagorean Illuminati and its aim is to re train the dogs to understand the wolves and stand up to them If you want the best things in life you cannot allow yourself to be preyed upon by the Power Elite *Hey, Whipple, Squeeze*
