

How to Describe Clouds in a Story

A dramatic landscape photograph featuring a vast, dark, and turbulent sky filled with heavy, dark grey and black clouds. A bright, ethereal light source, possibly the sun or moon, is partially obscured by a large, white, billowing cloud formation in the center of the frame. This light creates a strong contrast, illuminating the edges of the clouds and casting a soft glow over the scene. Below the horizon line, which is slightly above the bottom third of the image, a body of water stretches across the frame, reflecting the light and the dark tones of the sky. The foreground shows a dark, textured surface, likely a beach or a rocky shore, with some lighter patches of sand or rock. The overall mood is dramatic, mysterious, and powerful, emphasizing the scale and intensity of the natural elements.
