Story Of Mahabharata:

The Story of Mahabharata ,1994 *Mahabharata* Vignes Chandran,2020-07-09 Ever wanted to read the Mahabharata but never ended up finishing the epic due to the sheer size of the story or the numerous characters that simply overwhelm Have you always been curious of who the Pandavas actually were and why the Kauravas hated them so much until they resorted to deception and deceit to get rid of their cousins Was Arjuna actually the greatest archer of all time Or was it only because of favourable circumstances that Arjuna became known as such Have you ever wondered how divinity himself Krishna ended up as Arjuna s charioteer And what actually transpired during the battle on the holy lands of Kurukshetra that resulted in us still talking about the Mahabharata more than 5000 years later This book will answer all these questions and more Enjoy the greatest epic of our time the Mahabharata in a compact and easy to read version that is suitable for all ages

The Story of Dharma and Adharma Mahabharata, Part 1 Rishi Nanda, Mehak Mahajan Nanda,2025-01-18 As the saying goes there are three sides to every story Your Truth My Truth and The Real Truth In Sanatan Dharma there are millions of books and story tellers so whichever book or story a person has read heard or seen it becomes that person s truth The key point to note is that there are usually multiple stories explaining the same fact occasion or festival So each version is right in its own merit This is a result of the natural evolution the stories might have gone through the process of being handed over from generation to generation for centuries Many concepts and secrets are hidden in these stories and we are going to explore such secretive learnings and evolve on how to lead life personally and professionally In our book we have not only shared the story of Mahabharata but after every chapter we have shared the learnings from that chapter and trivia of many characters We have strived to make it the best resource on Mahabharata available to you Mahabharata is an Itihasa which means thus it happened Mahabharata was written by the great author Maharishi Ved Vyasa Mahabharata is not only about a war between two branches of a family or a tale of good versus evil but it s a profound exploration of human nature choices and consequences Every character embodies a mix of virtues and flaws blurring the line between Dharma and Adharma In this epic everyone is both right and wrong in their own way While Adharma has seemingly triumphed the question remains will the Pandavas reclaim their kingdom or does Mama Shakuni still have one last ace up his sleeve **Mahabharata**
