

Story Starters

Use these great story starters to bring your stories alive!

Start by using speech.

"Come quickly," shouted Mum with panic in her voice.

"I can't believe you just did that," cried Brian holding his now broken toy.

"Help me, I'm stuck and I cannot get out!" sobbed Louise.

"Look at that," bellowed Patrick, pointing at the strange object.

"Just how are we going to get out of here?" asked a sad looking Sandeep.

"Hello, my name is Lucy and I live with my parents and my annoying brother Luke. To be honest we are not a normal family because we have a secret which nobody else knows about."

Start with a statement which describes feelings.

Catherine was exhausted.

Jonathon was feeling really fed up.

Anthony looked and felt terrible.

Kiran stared at the open space and began to cry.

Andrew had never laughed so much in his life as tears rolled down his face.

Rebecca was bored as the rain thrashed against the window.

Start by describing the weather.

The gusting wind howled loudly, picking up the leaves and tossing them violently into the air.

The snow floated down gently settling onto the frozen ground.

The thunder shook the ground as we ran for shelter.

Start by describing the action.

As I wandered through the busy streets I noticed a round object hidden under the bench.

As I staggered along the desolate cliff top I thought about what had just happened.

As I was running across the playground I saw blood pouring from his head.

Start by describing the time.

It was midnight and there wasn't a sound to be heard.

The clock struck 3 and everyone suddenly looked at the man who had just appeared before them.

It was morning and Charlie couldn't forget what had happened to him the night before.

Start with a question.

Have you ever wondered why your parents always seem to be grumpy?

Do you want to know what happened then? Oh alright then I'll tell you.

Can you imagine what it is like to be stuck in a dark place for a very long time?

What is your biggest fear? Mine is spiders and I just hate them.

Start with sound effects.

Screeeech went the brakes of the car as it slid violently sideways.

SNAP! The tree had given way and the boy fell to the ground landing awkwardly.
