Straight Talk to Teachers Bruce J. Gevirtzman, 2009-11-16 In a no holds barred candid delivery Straight Talk to Teachers Twenty Insane Ideas for a Better Classroom drives directly to the core of what makes an extraordinary teacher and presents an honest appraisal of why some teachers fail Bruce J Gevirtzman speaks to teachers about teachers and for teachers He says This book will provide readers with a hearty laugh but it also may cause some of them to scream Rarely does anyone talk about the best ways of helping teachers to become better because these truths are sometimes scary Gevirtzman is convinced that our greatest teachers are hard working emotionally well adjusted and incredibly enthusiastic about their students their subject matter and their jobs By telling it straight this book can make a huge difference in the way teachers go about their work

Straight Talk on Stuttering Lloyd M. Hult, 2004 This new and expanded second edition is written for people who stutter and for those who interact with people who stutter including caregivers teachers and speech language pathologists The text is presented in two

parts The first part includes basic information about the disorder and addresses common questions that people have about stuttering What is stuttering What causes it How does it develop Can it be prevented This section also includes a new chapter entitled Living with Stuttering The second part of the book discusses effective therapy approaches used with both children and adults who stutter This part includes another new chapter Evaluating People Who Stutter The text is written in a very reader friendly and practical manner It represents a reasonably thorough review of what is known about stuttering and offers bottom line conclusions rather than theoretical speculations and research findings that arrived at these conclusions While the text includes the technical language used by speech language pathologists in reference to stuttering great care has been taken to explain each term In addition the book includes a helpful glossary This unique and exceptional book is written by a clinician who stutters and who is passionate about helping others learn about stuttering He addresses the reader not as a guru of truth but as a person who has gained some understanding about stuttering through both his professional and personal experiences with the disorder

Political Straight Talk H. John Lyke, 2016-02-25 In writing the Declaration of Independence and the Constitution our Founding Fathers established a democratic republic with a solid political basis What they wrote was the political map that future representatives would need to follow to conduct the people s business in an efficient and effective manner As long as they faithfully carried out the people s will our democracy and republic would function in a way congruent with our forebears wishes What in the world happened H John Lyke a board certified psychologist and professor emeritus at Metropolitan State College of Denver and the author of multiple political psychology books suggests that ever since George Washington retired as captain of our ship of state subsequent presidents and members of Congress have failed to use the sailing chart of the Constitution Instead they ve chosen to pursue their own and their political parties self interests Lyke uses psychological principles to explore the reasons why our government has fallen so low and in the voice of a kind but determined therapist he offers simple and viable solutions to get us back to following our map

Connections for Health Kathleen D. Mullen, 1993

The DASH Diet to End Obesity William M. Manger, Jennifer K. Nelson, Marion J. Franz, Edward J Roccella, 2014-03-01 Called the good nutrition bible by one reviewer The DASH Diet to End Obesity is the ultimate guide to common sense lifestyle changes that will improve the health of the entire family With a special emphasis on prevention this book is written for parents teachers and anyone concerned about protecting themselves and their children from the health risks of obesity This book is the most comprehensive guide to the DASH diet plan yet published DASH Dietary Approaches to Stop Hypertension was first formulated to combat hypertension high blood pressure But numerous studies have shown that the eating plan is also useful for dealing with excess weight abnormal blood fats Type 2 diabetes and other health concerns The DASH diet has soared in popularity because not only does it allow people to take charge of their own health and that of their families they can do it while eating delicious food The plan emphasizes seasonings spices healthy oils fruits vegetables nuts and other flavorful food choices But unlike a mere recipe book The

DASH Diet to End Obesity explains the science and psychology of how to find success with the DASH approach Author Dr William Manger and his three distinguished colleagues have crafted a reader friendly book geared to motivate people to make healthy informed changes in their daily lives The book offers in depth information about fats cholesterol vitamins and minerals omega 3 fatty acids fiber and more An entire section is devoted to the role of salt and the dangers of consuming too much salt especially for people who are overweight The book also contains a special chapter about eating for the management of diabetes Not only do the authors present a lot of information in an accessible tone they provide detailed descriptions of how to incorporate this knowledge into every meal with memory strategies charts and quick tips The DASH eating plan is not just a diet however and the book covers the importance of sleep physical exercise and staying psychologically motivated The authors also dissect the reasons other diets fail and discuss the risks and benefits of other methods of weight loss including surgery and weight loss drugs This book represents the life work of the four prestigious authors it is not a jump on the bandwagon response to the recent popularity of the DASH diet Dr William Manger has been such a proponent of the DASH lifestyle that he has founded an organization that teaches the eating plan to young children in schools Medical researchers and experts today are saying many parents could outlive their children because of runaway childhood obesity This is the scenario The DASH Diet to End Obesity is dedicated to reversing

The Adultery Diet Eva Cassidy, 2007-08-07 Cheat on your husband not on your diet Eva Cassidy is stuck in a marriage that's completely lost its luster She's even envious of her twenty year old daughter living la vie Parisienne complete with les condoms in France for a year Somewhere inside Eva knows she's still a woman with dreams and desires but her whole dull status quo existence can be summed up by the tyrannical numbers on her bathroom scale At 176 pounds is she just one more invisible middle aged woman who will never inspire lust in a man again Then fickle fortune via her job puts Eva back in touch with Michael Foresman her passionate lover one unforgettable college spring break Michael seems to be interested in meeting up and rekindling some old sparks but she can't possibly let him see her the way she looks now With reborn fantasies burning through her blood Eva starts dieting and exercising like a woman possessed by passion With the pounds dropping away Eva feels as if twenty years have rolled back as well She feels young sexy desirable and when Michael arrives he obviously agrees So now Eva has to make a choice When a diet promises to change your life just how big a change do you really want to make To every woman who has ever craved a spoonful of ice cream or agonized over the minefields of romance this book is for you It's witty it's wonderful it's smart and perceptive The Adultery Diet is a light hearted but emotionally honest look at life love letting go and of course losing weight

Notes From a Big Country Bill Bryson, 2012-05-15 When an old friend asked him to write a weekly dispatch from New Hampshire for the Mail on Sunday's Night and Day magazine Bill Bryson firmly turned him down So firm was he in fact that gathered here are nineteen months worth of his popular columns for the Mail on Sunday about the strangest of phenomena the American way of life Whether discussing the dazzling efficiency of the garbage

disposal unit the mind boggling plethora of methods by which to shop the exoticism of having your groceries bagged for you or the jaw slackening banality of American TV Bill Bryson brings his inimitable brand of bemused wit to bear on the world's richest and craziest country
