Why? Emanajehem, 2009-07 This book will show you who you are where you are the parts of your spirits and how its manifest in and out of your body How to move your spirits through time and space gain energy powers resolve conflicts and communicate effectively with God *The Muse of Many Names* Russell Streur, 2011-05-01 A volume of poetry by Russell Streur editor of The Camel Saloon and internationally published poet *Overtaken by a Butterfly* Nick Eades, 2023-04-28 I sank to my knees in despair Incredibly despite being in a tropical jungle I was cold really cold I was shivering from head to foot The adrenaline that had brought me this far had finally run out and I collapsed to the ground And that's when I was attacked Running and flying the world for over 40 years was finally coming to an end During that time I had become the World's most experienced Boeing 747 Captain I had combined my flying with running the equivalent of a marathon every week for four decades My flying career was at an end Running had been a passion that had taken me into places and situations that were both exciting and dangerous I could no longer fly the 747 but at least I was still young enough to run as fast as I ever could And then I was overtaken by a butterfly Cold Case Squad Edna Buchanan, 2004-06-15 Like all things

good and bad in the world it began with a woman And so begins the first chapter of Edna Buchanan's Cold Case Squad a new suspense novel that features a special homicide unit that breathes new life into old cases A man and a woman are shot dead at a strip club in Miami Beach A few hours later an explosion in a garage rocks a child's birthday party and burns a father of three to death The murders go unsolved and the fire is chalked up to an accident But was it an accident Twelve years later a blonde walks in to the Miami Police Department's Cold Case Squad which Buchanan fans will remember from The Ice Maiden and complains that she's been seeing her husband everywhere she goes Trouble is he's been dead for twelve years In Buchanan's characteristic voice Some guys just don't know when to let go As the Cold Case Squad unearths the details of the strip club deaths and the dead or missing father as well as the unsolved killings of a series of little old ladies readers get to know the three cops and their boss veteran homicide detective Sergeant Craig Burch whose marriage has turned into a case he can't solve Detective Sam Stone for whom the past will always be a mystery Detective Pete Nazario airlifted out of Cuba during Operation Pedro Pan in the 1960s and Lieutenant K C Riley for whom one case will never grow cold Edna Buchanan has been thrilling readers since her Pulitzer Prize winning stint as a crime reporter for The Miami Herald The Chicago Tribune once raved that few writers can touch Buchanan to which The Washington Post Book World seemed to respond I doubt if anyone else is doing it better In Cold Case Squad Edna Buchanan the woman the Los Angeles Daily News calls the Queen of crime delivers unlikely killers near perfect murders and her most suspenseful novel yet

Where Did My Life Go? Homeless and Out of Business K.D. Sanders,2015-10-31 Where Did My Life Go Homeless and Out of Business is by far one of the most raw powerful and engaging reads that I've come across in a long long time Author K D Sanders offers readers a very personal and unaltered look into his life thoughts and feelings as he underwent some very rough times as a homeless man while experiencing that many of us will never even come close to in our ordinary lives I say this and the book may seem quite gloomy at first but I also would say there's another side to it I interpret the book as having a sort of theme about personal redemption and keeping headstrong even through all the bad things that life can throw at you The author manages to keep his spirits high even while dealing with unfortunate circumstances and for that I admire his courage As well as this the text is written in a way that flows nicely due to a relatively relaxed undertone and there are plenty of general musings about the author's opinion on homeless life in general that I found to be very thought provoking and even sobering at times Overall I enjoyed the read and I found it to be honestly quite refreshingly new compared to what I've been coming across these days Definitely worth checking out Amazon Review
