

# Stranger

I feel like we've met before  
Like a whisper to my ear  
That I hear when nobody's around  
Your face seems familiar  
But your smile seems rough  
You look at me like you want to say  
something  
But you walk away  
Who are you  
A stranger I suppose  
But your name, it just pops up in my  
head sometimes  
As if I knew it  
I'm afraid to ask  
Afraid to know that I truly know you  
I'll just keep guessing  
Until I understand the past and present  
-lindsey.

## Strangers A Of Poems:

**Strangers** David Ferry, 1983-09 David Ferry must have had something up his sleeve when he called his book *Strangers* because his is a poetry of intimacy and familiarity More than that Mr Ferry's short sparse lyrics are as perfectly and simply composed as Japanese haiku a rare accomplishment in poetry written in English Andy Brumer New York Times Book Review *Strangers* is a remarkably good book for a reader sufficiently attentive to hear its quiet power to let it work in its distinctive way Boston Globe The poems of David Ferry's *Strangers* are in fact one book and it is a splendid one There is the same austere and poignant voice throughout asking the unanswerable things speaking of all that is withheld from us confronting the unknownness that dwells even in the familiar and dear Painful and touching the book offers a distinctive vision which is at the same time inescapably true Richard Wilbur

**The Kindness of Strangers** Philip Whalen, 1976-01-01 **Strangers** Mary J. Campbell, 2015-07-12 Excerpt from *Strangers A Little Book of Poems* *Strangers* Nature's Song A sweet songster came and over my head Sang me a song though just what he said To my poor stupid ears was not wholly plain But my heart knew the language and joined the refrain I sought out the rose in its glorious bloom Bathed my lips in its dew and breathed its perfume It touched the same chord and seemed like a part Of the song of the bird that was still in my heart The brooklet went dancing away to the sea With the hint of a song in its soft rippling glee Then onward went I and alone on the strand Heard the mingling of waters in symphony grand Then the voices of children came out on the air Singing Glory to God in melody rare I joined in their song and found it the key To the music of bird the brook and the sea About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*Strangers* Mary Jane Campbell, 1896 *Stranger* Adam Clay, 2016-01-18 A heartbreakingly stunning collection dedicated to the unsung suspension of time that occurs when life suddenly goes awry Ada Limón *Stranger* is a book of both great change and deep roots of the richest elements of the earth and the instability of a darkening sky The third collection by Adam Clay dives into a dynamic world where the only map available is not of the world but of the path I took to arrive in this place a map with no real definable future purpose Tracing a period of great change in his life a move a new job the birth of his first child Clay navigates the world with elegance and wonder staring into the heart of transition and finding in it the wisdom that Despite our best efforts to will it shut the proof of the world's existence can best be seen in its insistence in its opening up By firmly grasping on to the present the past and the future collapse into the lived moment allowing for an unclouded view of a way forward In language that is circular stoic and almost Zen like Clay attempts to remain himself in the face of life shifting
