Strangers In Company

Patrick R. Keifert

Strangers In Company:

Alien Albion Scott Oldenburg, 2014-01-01 Using both canonical and underappreciated texts *Alien Albion* argues that early modern England was far less unified and xenophobic than literary critics have previously suggested Juxtaposing literary texts from the period with legal religious and economic documents Scott Oldenburg uncovers how immigrants to England forged ties with their English hosts and how those relationships were reflected in literature that imagined inclusive multicultural communities Through discussions of civic pageantry the plays of dramatists including William Shakespeare Thomas Dekker and Thomas Middleton the poetry of Anne Dowriche and the prose of Thomas Deloney *Alien Albion* challenges assumptions about the origins of English national identity and the importance of religious class and local identities in the early modern era

Welcoming the Stranger Patrick R. Keifert, 1992 This book is an astute rethinking of theology and pastoral ministry that overcomes sentimental notions of hospitality Slow of Speech and Unclean Lips Robert Stephen Reid, 2010-01-01 Historically people who have risen to the occasion to speak of faith for their generation have been keenly aware of their own limitations whether Moses who was slow of speech or Isaiah who was concerned that he spoke with unclean lips The question both Moses and Isaiah seem to be asking is who am I to speak for God And we wonder in turn was it they who spoke or God who spoke through them These biblical images carry the weight of the question raised by the essays in this volume How is preaching both the work of God and yet also a function of the individual's own person and identity How is the preacher to conceive the identity he or she assumes when proclaiming the Word of God Some of the leading educators in homiletics today propose a variety of possible preaching identities in this volume preacher as messenger of hope as lover as God's mystery steward as ridiculous person as fisher as host and guest as one out of one's mind and as one entrusted The result is an open ended invitation for readers to identify their own preaching identity either in concert with one of the images presented here or of their own making appropriately contextualized to their own ministry and theology *Diversity and Difference in Early Modern London* Jacob Selwood, 2016-05-23 London in the sixteenth and seventeenth centuries was a surprisingly diverse place home not just to people from throughout the British Isles but to a significant population of French and Dutch immigrants to travelers and refugees from beyond Europe's borderlands and from the 1650s to a growing Jewish community Yet although we know much about the population of the capital of early modern England we know little about how Londoners conceived of the many peoples of their own city *Diversity and Difference in Early Modern London* seeks to rectify this addressing the question of how the inhabitants of the metropolis ordered the heterogeneity around them Rather than relying upon literary or theatrical representations this study emphasizes day to day practice drawing upon petitions government records guild minute books and taxation disputes along with plays and printed texts It shows how the people of London defined belonging and exclusion in the course of their daily actions through such prosaic activities as the making and selling of goods the collection of taxes and the daily give and take of guild politics This book demonstrates that encounters with

heterogeneity predate either imperial expansion or post colonial immigration In doing so it offers a perspective of interest both to scholars of the early modern English metropolis and to historians of race migration imperialism and the wider Atlantic world An empirical examination of civic economics taxation and occupational politics that asks broader questions about multiculturalism and Englishness this study speaks not just to the history of immigration in London itself but to the wider debate about evolving notions of national identity in the sixteenth and seventeenth centuries **The Pursuit of Stability** Ian W. Global Trade and the Shaping of English Freedom William A. Pettigrew, 2024-01-25 Through the histories of English trading companies the Levant Company the East India Company and the Royal African Company this book shows how non European peoples in the Middle East Southeast Asia West Africa and Western India used their control over these companies to shape the emergence of English freedom

The Ladies' Repository, 1849 The idea of this women's magazine originated with Samuel Williams a Cincinnati Methodist who thought that Christian women needed a magazine less worldly than Godey's Lady's Book and Snowden's Lady's Companion Written largely by ministers this exceptionally well printed little magazine contained well written essays of a moral character plenty of poetry articles on historical and scientific matters and book reviews Among western writers were Alice Cary who contributed over a hundred sketches and poems her sister Phoebe Cary Otway Curry Moncure D Conway and Joshua R Giddings and New England contributors included Mrs Lydia Sigourney Hannah F Gould and Julia C R Dorr By 1851 each issue published a peice of music and two steel plates usually landscapes or portraits When Davis E Clark took over the editorship in 1853 the magazine became brighter and attained a circulation of 40 000 Unlike his predecessors Clark included fictional pieces and made the Repository a magazine for the whole family After the war it began to decline and in 1876 was replaced by the National Repository The Ladies Repository was an excellent representative of the Methodist mind and heart Its essays sketches and poems its good steel engravings and its moral tone gave it a charm all its own Cf American periodicals 1741 1900
