The Interview And Other Stories:

The Death of Luigi Trastulli and Other Stories Alessandro Portelli, 2010-03-30 Portelli offers a new and challenging approach to oral history with an interdisciplinary and multicultural perspective Examining cultural conflict and communication between social groups and classes in industrial societies he identifies the way individuals strive to create memories in order to make sense of their lives and evaluates the impact of the fieldwork experience on the consciousness of the researcher By recovering the value of the story telling experience Portelli's work makes delightful reading for the specialist and non specialist alike

Private Affair and Other Stories Noel Lorenz, God's Scorekeeper and Other Stories Frank G. Honeycutt, 2019-08-20 Quick What do these characters all have in common An anguished ghost whose interest in measuring mountains led to his premature death A retired educator who takes a part time job inside the cozy confines of Wrigley Field's manual scoreboard An obsessive orthodontist known to evangelize his prone patients A bipolar father whose zany day includes an encounter with the police And a victim of identity theft reconsidering his vocation They're all pastors of course Join storyteller Frank Honeycutt on a roller coaster ride inside the flawed lives and vivid imaginations of sixteen ministers struggling to keep and make sense of their faith At times humorous surprising sad and even warped this fictional peek into the private lives of clergy sheds angular light upon the complicated theological motives guiding those called to lead God's people

Modern Love and other stories M. Darusha Wehm, 2018-03-13 *The Non-resident Indian and Other Stories* Sanjay Nigam, 1996 No Marketing Blurb *The Raid and Other Stories* graf Leo Tolstoy, 1999 This collection of Tolstoy's stories includes Sevastopol Two Hussars Albert What Men Live By Master and Man How Much Land Does a Man Need The Death of Ivan Ilych The Three Hermits and the title piece

"The Sting of Death" and Other Stories Toshio Shimao, 2020-06-01 Until a recent boom Shimao Toshio writer of short fiction critic and essayist was not widely known even in Japan He has never won the Akutagawa or the Naoki Prize and none of his works had previously appeared in English translation He is less well known than other writers Yasuoka Shotaro Kojima Nobuo and Shono Junzo with whom he has associated and whose works have been liberally translated into English Yet there are those who consider him to be one of the best contemporary writers in Japan This volume by no means exhausts the scope of Shimao's fiction There are no stories here for instance about childhood or student life and none of his many travel stories Some of his most famous stories When we Never Left Port for example have not been included But the stories presented here do offer a considerable variety of style from the pristine storybook language of *The Farthest Edge of the Islands* to the young intellectual's jargon of *Everyday Life in a Dream* to the visionary hysterical occasionally ritualistic prose of the sick wife stories to the sober difficult almost ponderous narration of *This Time That Summer* Shimao's approach to his material varies as well *Everyday Life in a Dream* is the only representative here of a large number of stories usually called surrealistic by the critics stories whose plots progress by the logic of dreams The individual experience of real life are lived through a combination of conscious and unconscious

perception These stories are the least approachable and the least charming to the casual reader but they serve among other things to highlight patterns in the more realistic fiction *The Farthest Edge of the Islands* is a symbolic heightening of reality in another way a romantic fairy tale beginning at the extremity of experience at the farthest edge of the world The other stories are presented as precise close chronicles of reality by a participant in that reality whose attention never waivers and who never allows himself to avert his eyes from a world that he sees as his responsibility and in a sense his fault All but the first story *The Farthest Edge of the Islands* which is in third person narration are told in the first person by the character who plays Shimao's role in the life that inspired the fiction

The Debs of Bletchley Park and Other Stories Michael Smith, 2015-01-08 For Winston Churchill the men and women at Bletchley Park were the geese that laid the golden eggs providing important intelligence that led to the Allied victory in the Second World War At the peak of Bletchley's success a total of twelve thousand people worked there of whom more than eight thousand were women These included a former ballerina who helped to crack the Enigma Code a debutante working for the Admiralty with a direct line to Churchill the convent girl who operated the Bombes the top secret machines that tested Enigma settings and the German literature student whose codebreaking saved countless lives at D Day All these women were essential cogs in a very large machine yet their stories have been kept secret In *The Debs of Bletchley Park* author Michael Smith trustee of Bletchley Park and chair of the Trust's Historical Advisory Committee tells their tale Through interviews with the women themselves and unique access to the Bletchley Park archives Smith reveals how they came to be there the lives they gave up to do their bit for the war effort and the part they played in the vital work of Station X They are an incredible set of women and this is their story
