Conduct Risk Management Roger Miles,2017-01-03 Conduct risk is at the core of behavioural regulation a new approach to regulating financial services whose new agencies and public prosecutors have spread rapidly across the world Its prosecutors intervene assertively to challenge financial service providers to show clear evidence of a new customer centric approach which understands and responds to the hidden drivers of customer behaviour They use their unprecedented powers to levy very large fines and even to imprison wrongdoers often for not taking precautions rather than for any active wrongdoing Conduct Risk Management is a tool for recognizing acting on and predicting conduct risk impacts in regulated business Conduct Risk Management sees beyond econometric and other box ticking traditions of risk management Whilst protecting senior managers it helps all staff to make positive use of conduct risk to promote behaviour the regulator will accept as good as good behaviour is good business The new conduct regulations personally affect every manager in financial services and their suppliers with new regulations making senior managers liable to imprisonment for failures in

organizational conduct Conduct Risk Management sets out plainly what practitioners need to know to understand the regulator s intentions to prove compliance protect competitiveness and maintain licence to operate Religion and Contemporary Management Arthur J. Wolak,2016-11-21 Although few might think of Moses as a leader in the contemporary business and political sense Moses is not only among the most significant leaders in Western civilization but is also arguably the quintessential example of a powerful leader from whom much can be learned by anyone entering and occupying leadership positions Various types of leadership approaches are considered that have been advocated by scholars over the past century Moses example as described in the Bible is analyzed to assert why Moses approach makes for an appropriate and compelling form of leadership today While present leadership and management vocabulary might differ from the Hebrew Bible many of the notions advocated by modern leadership theorists appear to parallel major behaviors traits functions experiences and actions ascribed to Moses especially in the first five books of the Hebrew Bible Anyone can view Moses through the lens of a particular religion whether shared or not and still learn considerably from the experience One will find Moses depicted as heroic charismatic and certainly empathic Yet Moses also shows transactional transformational and visionary leadership qualities Hence Religion and Contemporary Management discerns why Moses represents such an important model of effective leadership for contemporary times *Ramayan An Epicentre Of Management Principles* Dr. Rahul Misra,2024-09-07 This book has been written with the thought process to synergize ancient teachings of the Ramayana with modern world covering characters of Ramayana and their characteristics in the present corporate world for example Prabhu Shree Ram Values ethics and leadership style to be practiced and learned in corporate professionals academics and among policy makers Hanuman Ji as a benchmark in chief executive functions in planning organizing dedication communication and coordination Jambavant Ji s role as a senior advisor to be replicated in the present system for senior leadership as motivator and strategic planner Lakshman Ji as strength of valor and wisdom Angad Ji depicts in negotiation style and international relations The objective of this book is to propagate Ramayana as an epicenter of management principles in simple terms This book will also analyze Prabhu Ram and Ravana s style of management
