The Isles Of Shoals A Visual History:

The Isles of Shoals John D. Bardwell,1989 *Isles of Shoals* Donald Cann,2007 It is hard to believe that just three little words Isles of Shoals can evoke as much romanticism as they do Yet when those words are spoken remembrances of years long past of one of New England s earliest and most prosperous fishing communities of Celia Thaxter and her life well spent surrounded by beautiful flowers fine art and high society friends of Uncle Oscar Loughton and his ancient but unfailing smile and of the Victorian grandeur of the expansive Oceanic and Appledore Hotels bring one back to the glory days of the Isles of Shoals *A Stern and Lovely Scene* ,1978 *Mystery on the Isles of Shoals* J. Dennis Robinson,2014-11-18 For the first time the full story of a crime that has haunted New England since 1873 The cold blooded ax murder of two innocent Norwegian women at their island home off the coast of New Hampshire has gripped the region since 1873 beguiling tourists inspiring artists and fueling conspiracy theorists The killer a handsome Prussian fisherman down on his luck was quickly captured convicted in a widely publicized trial and hanged in an unforgettable gallows spectacle But he never confessed and while in prison gained a circle of admirers whose blind faith in his innocence still casts a shadow of doubt A fictionalized bestselling novel and a Hollywood film have further clouded the truth Finally a definitive whydunnit account of the Smuttynose Island ax murders has arrived Popular historian J Dennis Robinson fleshes out the facts surrounding this tragic robbery gone wrong in a captivating true crime page turner Robinson delves into the backstory at the rocky Isles of Shoals as an isolated centuries old fishing village was being destroyed by a modern luxury hotel He explores the neighboring island of Appledore where Victorian poet Celia Thaxter entertained the elite artists and writers of Boston It was Thaxter s powerful essay about the murders in the Atlantic Monthly that shocked the American public Robinson goes beyond the headlines of the burgeoning yellow press to explore the deeper lessons about American crime justice economics and hero worship Ten years before the Lizzie Borden ax murder trial and the fictional Sherlock Holmes Americans met a sociopath named Louis Wagner and many came to love him *A Stern and Lovely Scene: a Visual History of the Isles of Shoals* Susan C. Faxon,Alice Downey,Peter Bermingham,1982 *Summer by the Seaside* Bryant Franklin Tolles,2008 A sweeping richly illustrated architectural study of the large historic New England coastal resort hotels **A Stern and Lovely Scene** University of New Hampshire. University Art Galleries,1978 *Down East: An Illustrated History of Maritime Maine* (2) Lincoln Paine,2018-06-19 From the first explorers to the century of ships to our modern fisheries and diversification Maine s maritime story is told in engaging detail Lincoln Paine has laid down the framework for an understanding of Maine s maritime history by relating the population and landscape of today to their historic foundations This engaging overview of Maine s maritime history ranges from early Native American travel and fishing to pre Plymouth European settlements wars international trade shipbuilding boom and bust fisheries immigrant quarrymen quick lime production yachting and modern port facilities all unfolding against one of the most dramatic seascapes on the planet Down East can be read in an evening

but will be referred to again and again When the first edition was published in 2000 Walter Cronkite a veteran Maine coastal sailor as well as The Most Trusted Man in America wrote that Paine s economy of phrase and clarity of purpose make this book a delight Paine went on to write his monumental opus The Sea and Civilization A Maritime History of the World PW starred review but now returns to his first and most abiding love the coast of Maine to revise and update this gem of a book The new edition is printed in a large full color format with a stunning complement of historical photos paintings charts and illustrations making this a truly visual journey along a storied coast

Old York Beach John D. Bardwell,1996-05-01 After the phenomenal success of Old York Beach John Bardwell has responded with a new pictorial history that explores in even greater depth the rich historic fabric of the community Old York Beach Volume II combines more than two hundred delightful images with insightful captions to create an entertaining and informative visual history that is sure to captivate residents and tourists alike Through the lens of a camera you will see the area evolve from a small fishing and farming village into the idyllic seashore resort that we know today You will witness great Victorian hotels rise and fall observe bustling streets and see people some of whom you may recognize enjoying the beach sailing having cookouts and reveling in the natural beauty of the area In addition there are images that document how the area adapted to the changing needs of new generations as cabins became motels parking lots replaced train stations tenting grounds became trailer parks and the dance halls at St Aspinquid Park and the York Beach Casino were replaced by lounges in hotels and restaurants
