The Jitterbug Girl:

The Jitterbug Girl Donna Van Straten, 2004 *The Girl in the Jitterbug Dress Hops the Atlantic* Tam Francis, 2023-05-17

Fall in Love on the Dance Floor *The Girl in the Jitterbug Dress Hops the Atlantic* continues the story of two women from two different eras confronting life altering choices about love marriage birth and death contrasted by 1940 s Vegas glamour and the seductive thrill of hopping across Europe When vintage fashionista Rose sews dissension between June and James June is driven to choose between the security of her family friends and swing scene or run off with an international swing boy Will the handsome Swede turn June s head with an offer to teach Jitterbug across Europe And is he really the sparkling Lindy Hop star he claimed to be when he twirled her around the historic Catalina ballroom Return to Violet s world of big band jazz seedy nightclubs and WWII Follow her through 1940 s Los Angeles and early wartime Vegas when she transformed herself into a jazzy songbird Will the truth about the murder the mob and her murky history undo her rekindled relationship with her lost Jitterbug love and newfound family And will Violet Charles and June finally confirm a biological connection **The Girl in the Jitterbug Dress** Tam Francis, 2016-05-08 The past doesn t always stay in the past Sometimes it comes to life on the dance floor Enter a world of nostalgic fashion classic cocktails and dance halls 18 year old June finds herself face to face with one of her deepest desires Dance She embarks on a path of discovery and relishes the vintage skirt wrapping around her warm thighs on the crowded dance floor And the way her partner moves her to distraction by expertly shifting his leg between hers delicately pushing her into intricately guided steps When an accomplished dancer is injured before the international jitterbug contest June is tapped to take her place June struggles to overcome her fears win the contest and not fall in love with her otherwise engaged dance partner Fifty years earlier another 18 year old jitterbug Violet leads the life June and her friends emulate But Violet s life begins to unravel when she and her sailor beau find her grifting father passed out on her doorstep blood oozing from his head They race against his deployment to tie the knot before the war can tear them apart When his letters mysteriously stop arriving Violet is forced to make the decision of a lifetime alone Half a century later while practicing for the contest June finds an antique dress which may lead her to the one person she s been looking for her biological grandmother and the key to unlocking a fifty year old mystery **THE GIRL IN THE JITTERBUG DRESS** is the parallel story of two young women struggling with love loss and redemption united across generations by a 1940 s swing dress **The Blue Girl Murders** Dan Riker, 2015-10-06 In **THE BLUE GIRL MURDERS** a series of gruesome murders of beautiful young blondes rocks Baltimore during the summer of 1966 when the city already is in turmoil from a police scandal and from enormous racial tension resulting from desegregation efforts by the Congress of Racial Equality and White Power rallies by the National States Rights Party UPI Baltimore bureau manager Nick Prescott goes from covering these stories to trying to help homicide detective Maury Antonelli solve the murders when one of his closest friends becomes a suspect Prescott uncovers a trail of murder infidelity and insanity that exposes the killer and puts his own life in mortal danger The

cultural political and social changes great music and historic events of 1966 provide the backdrop and themes of this historical mystery The author was a reporter for United Press International in Baltimore in 1966 and covered many of the events described in the novel *Good Girls, Good Food, Good Fun* Meghan K. Winchell, 2008-12-07 Throughout World War II when Saturday nights came around servicemen and hostesses happily forgot the war for a little while as they danced together in USO clubs which served as havens of stability in a time of social moral and geographic upheaval Meghan Winchell demonstrates that in addition to boosting soldier morale the USO acted as an architect of the gender roles and sexual codes that shaped the greatest generation Combining archival research with extensive firsthand accounts from among the hundreds of thousands of female USO volunteers Winchell shows how the organization both reflected and shaped 1940s American society at large The USO had hoped that respectable feminine companionship would limit venereal disease rates in the military To that end Winchell explains USO recruitment practices characterized white middle class women as sexually respectable thus implying that the sexual behavior of working class women and women of color was suspicious In response women of color sought to redefine the USO's definition of beauty and respectability challenging the USO's vision of a home front that was free of racial gender and sexual conflict Despite clashes over class and racial ideologies of sex and respectability Winchell finds that most hostesses benefited from the USO's chaste image In exploring the USO's treatment of female volunteers Winchell not only brings the hostesses stories to light but also supplies a crucial missing piece for understanding the complex ways in which the war both destabilized and restored certain versions of social order *Those Girls* Pamela Rushby, 2024-04-03 New from award winning historical novelist Pamela Rushby exploring the roles and struggles of women in wartime 1942 The world is at war Sixteen year old Hilly is desperate to do something useful to the war effort to help the boys on the front lines So when she sees the poster recruiting for the Australian Women's Land Army she jumps at the chance to make a difference Travelling to farms across Queensland Hilly encounters backbreaking work adversity and romance and may find she's capable of more than she thought possible She is one of those girls with grit

The Girls Next Door Kara Dixon Vuic, 2019-02-01 To boost soldiers morale and remind them of the stakes of victory the American military formalized a recreation program that sent respectable young women along with famous entertainers overseas This history of the women who talked and listened danced and sang adds an intimate chapter to the story of war and its ties to life in peacetime *When the Little Wings are Stronger* Oleta May Nichols, 2022 When the Little Wings Are Stronger is the coming of age story of a young girl from the southern Ozarks in Missouri during the period before and at the beginning of the United States involvement in World War II Raised in post depression times in a poor but loving Christian family with strong ethical beliefs that were imparted to the entire family Shandol must learn to identify her own desires for her future and choose wisely at the risk of marrying the wrong man or worse still the disapproval of her family Having adhered to her family standards through adolescence Shandol manages to maintain a reputation of unrepachable ethics

and behavior to match But will her first love be her undoing or will good sense and judgement win out **Rhythmic**

Activities and Dance John Price Bennett, Pamela Coughenour Riemer, 2006 Rhythmic Activities and Dance Second Edition is a comprehensive collection of the most popular recreational dance forms geared for teachers of K 12 students and recreation directors and leaders who want to teach easy rhythms and dances for fun and fitness **BOOK JACKET** **City Girls** Valerie J.

Matsumoto, 2016-12-15 Even before wartime incarceration Japanese Americans largely lived in separate cultural communities from their West Coast neighbors The first generation American children the Nisei were American citizens spoke English and were integrated in public schools yet were also socially isolated in many ways from their peers and subject to racism Their daughters especially found rapport in a flourishing network of ethnocultural youth organizations Until now these groups have remained hidden from the historical record both because they were girls groups and because evidence of them was considered largely ephemeral In her second book Valerie Matsumoto has recreated this hidden world of female friendship and comradeship tracing it from the Jazz age through internment to the postwar period Matsumoto argues that these groups were more than just social outlets for Nisei teenage girls Rather she shows how they were critical networks during the wartime upheavals of Japanese Americans Young Nisei women helped their families navigate internment and more importantly recreated communities when they returned to their homes in the immediate postwar period This book will be a considerable contribution to our understanding of Japanese life in America youth culture ethnic history urban history and Western history Matsumoto has interviewed and gained the trust of many now old women who were part of these girls clubs
