The Naked Truth about Small Group Ministry Randall G. Neighbour, 2009-06-08 Tired of reading books by pastors of large churches who could put a stick in the mud and it would grow a fruit bearing tree in a week Exhausted with doing ministry the same way expecting different results Exasperated by the lack of ownership among the members of your existing groups Then this book is for you Pulling no punches Neighbour diagnoses the problems surrounding small group and cell group ministry in America today offering practical suggestions that work

On the way Niclas Ljung, 2025-06-27 How can our faith in God grow and why doesn't it always What causes our love for God to so easily grow cold and at times even fade away This book is a practical and accessible guide that helps us understand the Christian life as a daily walk with Jesus Following Jesus isn't about sitting at life's station waiting for a train to take us to heaven when we die The Christian life is a journey a walk we're invited to take every day This is the language of the Bible we are called to walk through life and life itself is a journey In this book Niclas Ljung pastor in Malmö Sweden explores how we can get off to a good start in our walk with Jesus At the same time it offers encouragement and guidance for those of us who want to continue walking with Him no matter where we find ourselves along the way The book was born out of Niclas's own journey with Jesus during which he has helped people of all ages discover Christ and begin their walk with Him in the best possible way Faith in God is not merely about accepting a set of truths or values it's about knowing the one true living God Salvation is not simply a line we cross but a road we walk following Jesus through the ups and downs of life Written in clear and engaging language this book is suitable for both young readers and those who may find it difficult to sit down with a book It was originally created for use in a local church with short daily readings designed to complement Sunday sermons It's also ideal for small groups encouraging deeper faith and challenging us to follow Jesus in every area of life Rich in Scripture references and direct Bible quotations the book also has a theological nature it seeks to describe God and help us better understand who He is David Pawson John Wimber John Stott and John Mark Comer are among Niclas Ljung's key influences and their legacy is clearly reflected throughout the book

for ongoing spiritual growth **Preaching to Convert** John Fletcher, 2013-11-13 Preaching to Convert offers an intriguing new perspective on the outreach strategies of U S evangelicals framing them as examples of activist performance broadly defined as acts performed before an audience in the hopes of changing hearts and minds Most writing about activist performance has focused on left progressive causes events and actors Preaching to Convert argues against such a constricted view of activism and for a more nuanced understanding of U S evangelicalism as a movement defined by its desire to win converts and spread the gospel The book positions evangelicals as a diverse complicated group confronting the loss of conservative Christianity s default status in 21st century U S culture In the face of an increasingly secular age evangelicals have been reassessing models of outreach In acts like handing out Bible tracts to strangers on the street or going door to door with a Bible in hand in elaborately staged horror themed morality plays or multimillion dollar creationist discovery centers in megachurch services beamed to dozens of satellite campuses and in controversial ex gay ministries striving to return gays and lesbians to the straight and narrow evangelicals are redefining what it means to be deeply committed in a pluralist world The book s engaging style and careful argumentation make it accessible and appealing to scholars and students across a range of fields *Michigan Christian Advocate* ,1897
