Gifford, 1931-01-01 **The Kamia of Imperial Valley (Classic Reprint)** E. W. Gifford, 2015-08-05 Excerpt from *The Kamia of Imperial Valley* The Kamia were the inhabitants of the Imperial Valley in southeastern California At times they resided on the west bank of the Colorado River in Yuma territory Their earlier sojourns there were probably during periods of low water in Imperial Valley At any rate the west bank of the Colorado near Algodones and Dieguenos Lower California was evidently regarded as theirs to visit whenever they pleased although it was Yuma territory Linguistically the Kamia are probably only subdialectically distinguishable from the Diegueno Culturally they are intermediate between the Diegueno and the Yuma with a heavy preponderance of traits shared with the Yuma It is assumed that they are a people of Diegueno origin who moved down into Imperial Valley and came under the influence of the Yuma from whom they adopted agriculture How long the process of acculturation has been going on there seems no definite way to tell It would seem that a few hundred years would be ample to account for the Yuma traits which have been adopted Indeed there seems no inherent reason why a century would not be ample The closeness of Kamia friendship with the Yuma is indicated by Whipple s statement that Pablo Cocum grand chief of the Cuchans Yuma in 1849 was a Kamia born on New River probably about 1800 The apparent overlap of Kamia and Eastern Southern Diegueno territory the latter mapped by Spier and said by him to extend to the hills on the eastern border of the Imperial Valley is not real Spier s Eastern Diegueno informant evidently enumerated the Kamia gentes which he knew along with the Eastern Diegueno ones Indeed he would seem to have regarded the Kamia as his kinsmen About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Bulletin**, 1931 *The Kamia of the Imperial Valley* Edward Winslow Gifford, 1931 **Kamia of Imperial Valley, by E.W.
