Japanese Direct Investment in China John F. Cassidy,2017-09-25 China with the world s largest population is set to become the second largest market in the world by 2010 The importance of understanding the environment for foreign direct investment FDI in China has never been more apparent With this as a context this book examines FDI in China with the emphasis on the where to locate question Japanese direct investment is used as a case study elucidating the key locational determinants and characteristics thereof This is the first book focusing on the where to locate question with respect to the China market All companies with a China strategy and all university business departments will find this book of vital importance *The Japanese Industrial System* Charles Mac Millan,1989 *Rethinking the Education Mess: A Systems Approach to Education Reform* I. Mitroff,L. Hill,C. Alpaslan,2013-10-17 Using a form of systems thinking this book analyzes K 12 education as a complex messy system that must be tackled as a whole and provides a series of heuristics to help those involved in the education mess to improve the system as a whole **Strategic Economy In Japan** Thomas M

Huber,2019-07-09 This innovative work demystifies the Japanese economy by considering it as a strategic system Showing how the Japanese miracle is actively planned directed and implemented by a constellation of institutions government policymakers and big business Huber argues that Japan Inc can best be compared to a modern military system rather than exclusively to a free market economy The author highlights particularly the similarity between Japan s strategic economy and some of the structures and policy dynamics of the U S military and shows how Japans economic strategies have the capability of adversely affecting its trading partners
