

—KESSINGER'S RARE REPRINTS—

The Jesuits And Inquisitors

William Howitt

The Jesuits And Inquisitors

Jessica M. Dalton

The Jesuits And Inquisitors:

The Jesuits and Inquisitors William Howitt, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *Between Popes, Inquisitors and Princes* Jessica M. Dalton, 2020-05-11 In *Between Popes Inquisitors and Princes* Jessica Dalton uses extensive original archival research to provide the first history of a unique and controversial papal privilege that allowed the first Jesuits to absolve heretics in sixteenth century Italy without involving bishops or inquisitors Dalton uses the story of this remarkable privilege to reconsider two central aspects of Jesuit history their role in the Counter Reformation and their relationship with the papacy She convincingly argues that in the aftermath of the Protestant Reformation the Jesuits were valued collaborators of popes inquisitors and princes not for their obedience and subservience but rather because they worked with an autonomy and flexibility that allowed them to convert heretics where political barriers and popular hostility hindered inquisitors and prelates *The Jesuit in England; with the horrors of the Inquisition in Rome* John Russell (author of Alfred Barton.), 1858

Popery, the Inquisition and the Jesuits, historical facts exposing their profligate tenets [by E.K. Pickering]. E. K. Pickering, 1851 **History of the Inquisition** William Harris Rule, 1868 History of the Inquisition by William Rule Harris first published in 1868 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it **The History of the Inquisition of Spain, from the Time of Its Establishment to the Reign of Ferdinand VII** Juan Antonio Llorente, 1826 **Dealings with the Inquisition, Or, Papal Rome, Her Priests, and Her Jesuits** Giacinto Achilli, 1851 **History of the Inquisition** W.H. Rule, 1874 **Inquisition** Toby Green, 2009-03-17 A journey across centuries of religious conflict Toby Green s incredible new book brings a vast panorama to life by focusing on the untold stories of individuals from all walks of life and every section of society who were affected by the Inquisition From witches in Mexico bigamists in Brazil Freemasons Hindus Jews Moslems and Protestants the Inquisition reached every aspect of society This history though filled with stories of terror and the unspeakable ways in which human beings can treat one another is ultimately one of hope underscoring the resilience of the human spirit Stretching from the unification of Spain under Ferdinand and Isabella in the fifteenth century to the Napoleonic wars The Inquisition details this incredible history in all its richness and complexity *Dealings with the Inquisition; Or, Papal Rome, Her Priests, and Her Jesuits* Giacinto Achilli, 2020-03-16 In *Dealings with the Inquisition Or*

Papal Rome Her Priests and Her Jesuits Giacinto Achilli offers a compelling examination of the Roman Catholic Church's historical complicity in the oppressive actions of the Inquisition Through meticulous first person narratives and rigorous analysis Achilli employs a confessional literary style revealing the chilling realities behind ecclesiastical power Rooted in the context of 19th century reformist thought the book serves not only as a documentary chronicle but also as a fervent critique of religious tyranny shedding light on the complexities of faith during a time marked by fervent clericalism and growing secularism in Europe Giacinto Achilli a former priest who escaped the confines of the Catholic Church brings a unique perspective shaped by his own harrowing experiences with the Inquisition His background as an ex Jesuit coupled with his commitment to promoting religious freedom profoundly influences his writing The author's personal journey imbues the text with authenticity and urgency elevating it from mere historical account to a passionate plea for reformation and accountability This powerful work is highly recommended for readers interested in the intersection of religion power and individual freedom Achilli's incisive commentary and rich historical context will resonate with anyone grappling with the complexities of faith and governance making it an essential addition to the library of both scholars and casual readers alike
