Social Policy Theories Concepts And Issues

Patricia Kennett

Social Policy Theories Concepts And Issues:

Social Policy Michael Lavalette, Alan Pratt, 2005-11-15 The Third Edition of this widely adopted textbook has been thoroughly revised and offers an authoritative and up to date coverage of the key theories concepts and issues in social policy The lively and readable text has been designed to provide students with the essential tools to gain a clear understanding of the theoretical debates surrounding the discipline The book is organized into three parts Part One offers a detailed but accessible critique of major theoretical approaches such as neo liberalism Marxism feminism and racism Part Two explores conceptual debates such as distributive justice and postmodernism Part Three engages with contemporary social policy issues such as children pensions and the role of New Labour It also features newly commissioned chapters to reflect recent developments and current debates within social policy New areas of consideration include Citizenship Post structuralism The politics of food Globalization Student exercises and reading lists feature throughout the text and practical examples are skilfully used to illustrate conceptual and theoretical material making it the ideal core textbook for undergraduate social policy students as well as those studying related welfare modules across the social sciences Understanding Theories and Concepts in Social Policy

Ruth Lister, 2010-06 Theory has rarely been so interesting lively engaging and real Ruth Lister has produced a text of great scholarship and a tour de force Saul Becker Professor of Social Policy and Social Care University of Nottingham UK *Social Policy* Michael Lavalette, Alan Pratt, 2006 Accessible and comprehensive this introduction to social policy will help students to develop a full and critical understanding of the discipline Suitable for students academics and professionals in social policy and social welfare

Social Policy Michael Lavalette, Alan Pratt, 2005-11-15 The Third Edition of this widely adopted textbook has been thoroughly revised and offers an authoritative and up to date coverage of the key theories concepts and issues in social policy The lively and readable text has been designed to provide students with the essential tools to gain a clear understanding of the theoretical debates surrounding the discipline The book is organized into three parts Part One offers a detailed but accessible critique of major theoretical approaches such as neo liberalism Marxism feminism and racism Part Two explores conceptual debates such as distributive justice and postmodernism Part Three engages with contemporary social policy issues such as children pensions and the role of New Labour It also features newly commissioned chapters to reflect recent developments and current debates within social policy New areas of consideration include Citizenship Post structuralism The politics of food Globalization Student exercises and reading lists feature throughout the text and practical examples are skilfully used to illustrate conceptual and theoretical material making it the ideal core textbook for undergraduate social policy students as well as those studying related welfare modules across the social sciences

A Handbook of Comparative Social Policy, Second Edition Patricia Kennett, 2013-01-01 This extensively revised edition of A Handbook of Comparative Social Policy provides up to date and valuable insights on key concepts and issues such as globalization crime diversity housing child poverty gender inequality and social policy regimes

To write about these topics editor Patricia Kennett has gathered an excellent team of researchers who deal with both the developing and the advanced industrial world. Students of comparative social policy would benefit from engaging with this illuminating Handbook. Daniel B. Johnson, Shoyama Graduate School of Public Policy, Canada. The current context of social policy is one in which many of the old certainties of the past have been eroded. The predominantly inward looking domestic preoccupation of social policy has made way for a more integrated international and outward approach to analysis which looks beyond the boundaries of the state. It is in this context that this Handbook brings together the work of key commentators in the field of comparative analysis in order to provide comprehensive coverage of contemporary debates and issues in cross national social policy research. Organized around five themes, this thoroughly revised and updated second edition explores the contextual, conceptual, analytical and processual aspects of undertaking comparative social research. The contributions highlight specific areas of comparative social policy including child poverty and well being, patterns of housing provision and housing inequalities, and social protection in East Asia as well as crime and criminology in a global context. The authors of the Handbook explore continuing and emerging themes as well as issues which are of particular relevance to understanding the contemporary social world. International in scope, this authoritative Handbook presents original, cutting edge research from leading specialists and will become an indispensable source of reference for anyone interested in comparative and international social research. It will also prove a valuable study aid for undergraduate and postgraduate students from a range of disciplines including social policy, sociology, politics, urban studies and public policy.

Social Policy and Social Work: An Introduction Steve Cunningham, Jo Cunningham, 2012-07-06. An introduction to social policy for social work students.

Applying Social Policy in Social Work Practice Laura Mullen, 2025-08-05. This is an innovative text aimed at social work students and designed to develop their knowledge and understanding of social policy and how to best apply this in practice. It demonstrates how they can use such skills to support vulnerable individuals, groups and communities to achieve positive change. The relevance of social policy to people with lived experience of social work intervention is examined and students are given the underpinning critical skills to prepare them for social work placements in various settings and for their professional lives as qualified social work practitioners. Understanding and applying social policy is a core principle of social work which should inform practice and be used to achieve positive outcomes for service users. Students need to understand the relevance of social policy to social work practice. This book provides an overview of the historical background and the ideologies that have shaped social policy, including an analysis of the five pillars: income, health, education, housing and social services. It is a clear and accessible resource for social work students that will give them a fuller understanding of the importance of social policy and how social issues intersect for service users. There is also a study skills chapter to support students with their academic studies and beyond.

Irish Social Policy Fiona Dukelow, Máiréad Considine, 2017-05-31. This 2nd edition of a highly respected textbook offers a comprehensive introduction to Irish social policy. It provides an accessible

critical overview taking account of significant changes over recent years The book is organised across four key sections 1 Traces the emergence and development of Irish social policy from its origins to the present 2 Situates the Irish case in the wider context of the politics ideology and socio economic factors relevant to the development and reform of welfare states 3 Analyses core social service areas with specific reference to the contemporary Irish context 4 Explores how social policy affects particular groups in Irish society including children older people people with disabilities carers new immigrant and minority ethnic groups and LGBT people Discusses the challenges posed by environmental issues and the importance of a social policy perspective Text boxes used throughout provide policy summaries definitions of key concepts along with guides for further reading and discussion This is a valuable resource for undergraduate and postgraduate students studying Irish social policy and allied subjects

Social policy review 22 Greener, Ian, Holden, Chris, 2010-07-13 Social Policy Review 22 presents a diverse review of the best in social policy scholarship It brings together specially commissioned reviews of key areas research examining important debates in the field and considers a range of issues including assessments of Labour's social policy after three terms in office service user involvement and the labour market impact of the economic crisis along with the winner of the SPA's best postgraduate paper award It is essential reading for academics and students in the field but more generally for anyone interested in contemporary social policy

Social Work and Society Kate Parkinson, Sarah Pollock, Ian Cummins, 2019-11-27 It is essential that social work students understand the lasting impact political decision making can have on service users yet little guidance exists on this subject This valuable book provides a comprehensive introduction to politics in social work unifying the themes of political ideology and social construction across several areas of social work practice including emerging areas of practice The book Introduces the dominant political ideologies in the UK Examines the impact of these ideological perspectives on different demographic groups Explores emerging areas of growing political interest such as radicalisation Employs case studies and examples from practice to aid student understanding Including helpful key points to guide reading at the beginning of each chapter as well as exercises for seminars and further reading recommendations this text will be an invaluable resource to all students in social work
