Social Work Practice Model And Method:

Social Work Practice: Model and Method Allen Pincus, Anne Minahan, 1973

Social Work Theories and Methods

Mel Gray, Stephen Webb, 2012-12-14 The second edition of this celebrated book by two of the world's leading researchers in social work introduces readers to the main theories, theorists and perspectives that contribute to the debate on social work theory and social work methods. It brings together some outstanding international researchers in social work to challenge the reader to critically question how they think about social work. The new edition includes a focus on the psychosocial perspective with three new chapters on Cognitive behavioural approaches, Attachment theory and psychoanalytic social work, Ecological approaches. Each chapter allows the reader to relate the theories and methods discussed to their own personal experiences. This reader friendly book includes student questions, glossaries and recommended reading so that students and practitioners can reappraise and expand the knowledge they have learned. This book will be valuable for undergraduate and postgraduate students taking courses in social work theory and research methods, social work interventions and perspectives as well as post qualifying students and researchers in social work.

Social Work Methods and Skills Karen

Healy, 2011-12-05 This brilliantly systematic and comprehensive textbook provides an integrated approach to social work theory, methods and skills as the bedrock of all social work practice. Recognizing social work as a diverse activity that is rooted in common foundations, it explains how practice both shapes and is shaped by professional purpose. The text also explores the diverse range of social work practice methods available and aims to equip the reader with a foundation in the history and application of these varied approaches. Offering a step by step discussion that will empower readers to critically develop and refine their professional toolkit for purposeful and innovative intervention, this original rationale is an essential resource for any social work student or practitioner looking to build or consolidate their understanding of the range of methods and skills available for effective professional practice.

Social Work Process and Practice David Watson, Janice

West, 2006-04-13 This new textbook examines the knowledge, skills and values that underpin and inform current social work practice and processes. With a clear focus on skills, social work processes and the suitability of different methods, Watson offers students a toolkit for applying theoretical frameworks to actual practice situations.

Social Work Practice Methods

Manohar Pawar, Bill Anscombe, 2014-10-08 An invaluable resource for social work students, educators and practitioners written by an author team with extensive professional experience.

An Introduction to Applying Social Work Theories and

Methods Barbra Teater, 2014-03-01 A student friendly introduction to social work theories and methods drawing on current social work research.

Integrating Social Work Methods Harry Specht, Anne Vickery, 2021-11-07 Throughout its history

social work has been seeking a means to state its purposes and methodology as a unity that transcends the purposes and methodology applicable in particular fields of practice or sanctioned by particular legislation or practised by a particular kind of worker. Recent changes in society, developments in social work practice, new additions to the knowledge base of social work

and current reorganisation of the social services had led to an intensified interest in this integrated approach Originally published in 1977 *Integrating Social Work Methods* introduces the reader to the main developments in the conceptualisation of a unitary method It clarifies what it is that is being unified identifies issues involved in the attempt to unify and discusses their implications for social work practice and training As such it represented the first substantial British text in the field and was widely welcomed by social work practitioners administrators and educators at the time *Psychoanalytic Theory for Social Work Practice* Marion Bower, 2005 Written by practicing social workers and social work educators this text analyzes modern psychoanalytic and psychosocial approaches to social work and relates them to current practices and values Focusing on working with children and families the text covers salient issues in social work practice including risk assessment dealing with parents with drug and alcohol problems supervision and management of emotional stress Throughout the book there is an emphasis on the realities of frontline practice and looking at what can realistically be achieved It also addresses the research evidence for this approach With psychoanalytic and psychosocial approaches becoming increasingly popular this text will be a welcome addition for professionals students and social work educators

Social Work Practice Research for the Twenty-First Century Anne E. Fortune, Philip McCallion, Katharine Briar-Lawson, 2010-09-21 Social work professionals must demonstrate their effectiveness to legislators and governments not to mention clients and incoming practitioners A thorough evaluation of the activities ethics and outcomes of social work practice is critical to maintaining investment and interest in the profession and improving the lives of underserved populations Incorporating the concerns of a new century into a consideration of models for practice research this volume builds on the visionary work of William J Reid 1928 2003 who transformed social work research through empirically based and task centered approaches and more recently synthesized intervention knowledge for framing future study This collection reviews the task centered model and other contemporary Evidence Based Practice models for working with individuals families groups communities and organizations Essays demonstrate the value of these pragmatic approaches in the United States and international settings Contributors summarize state of the art methods in several key fields of service including children and families aging substance abuse and mental health They also evaluate the research movement itself outlining an agenda for today's sociopolitical landscape and the profession This volume inspires practice research to prioritize evidence as a base for the profession *Human Behavior Theory for Social Work Practice* Terry Koenig, Rick Spano, John Thompson, 2019-03-06 Human Behavior Theory for Social Work Practice provides an in depth examination of human behavior theories and helps students apply each theory to social work practice Authors Terry Koenig Rick Spano and John Thompson cover a broad spectrum of theories including ecological psychological and sociopolitical before applying them to a wide range of case examples that represent different stages across the human lifespan Drawing from their extensive knowledge and experience in social work practice and teaching the authors also feature scholarly research and writing to support the

understanding of the theoretical overview in each chapter
