Social Problems Causes Consequences Interventions:

Social Problems Richard Bourne, Jack Levin, 1983

Social Problems in a Free Society Myles J. Kelleher, 2004-09-02

The future of the sociologist's profession is jeopardized by an ongoing trend toward the politicization of sociology and the radicalization of social problems. This book calls for the rethinking of the culture of social, political, and economic liberty to create a resurgence of a sociological agenda. *Social Problems in a Free Society* offers an original perspective on social problems such as violations of the principles of individual rights and the free market. This book is a vision for reinvigorating the discipline in a fashion undreamt of within the wearisome strains of today's radical social problems theory. *Empirically Based Interventions Targeting Social Problems* John S. Wodarski, Laura M. Hopson, 2019-11-12. This unique volume demonstrates the effectiveness of applying an evidence-based practice process to the solution of selected social problems. It focuses on social work interventions addressing family, community, and societal factors. Research indicates that reinforcement for positive behavior at the group, organizational, and community levels, as opposed to interventions focusing on the individual, are more likely to result in meaningful improvement in well-being. Chapters address issues such as child maltreatment, educationally disadvantaged children, violence in schools, adolescent sexuality, substance abuse, crime, urban decline, and homelessness, unemployment, marital conflict, and chronic medical problems. *Empirically Based Interventions Targeting Social Problems* is a relevant resource for practitioners and counseling professionals whose work involves interventions with children and families as well as communities. It also is a useful text for graduate students in social work as well as students preparing for other helping professions including psychology, sociology, marital and family counseling, and child development.

Social Problems Jack Levin, 2000

Thailand's Industrialization and its Consequences Medhi

Krongkaew, 1995-06-12. Professor Krongkaew is one of Thailand's best known academic economists and he has brought together an impressive number of authorities on the modern Thai economy. The resulting book should be of great value to anyone wanting an authoritative and comprehensive overview of recent developments in one of Asia's most dynamic economies. Anne Booth, School of Oriental and African Studies, University of London. The book is divided into 4 parts. Part 1 gives an overview of Thai industrialization and the roles of agriculture, manufactured exports, direct foreign investment, and tourism as major contributors to recent fast economic growth. Part 2 analyses the impact of industrialization on government finance, monetary policy, urbanisation, and household welfare. Part 3 further investigates impact on political development, social values, the environment, and education, health, and science and technology. Part 4 looks at a future role of Thailand as a newly industrialized country in Asia. **Guns and Contemporary Society** Glenn H. Utter, 2015-12-01. This three-volume set examines various approaches to firearms, including constitutional and legal issues, public health, and criminal justice concerns, and perspectives on personal safety and self-defense. Recent mass shootings have led to renewed calls for additional legislation at the state and federal levels to address gun access and control. In this hard-hitting compilation, experts delve into

various aspects of firearms in America from gun control and gun rights to militia movements to school related shootings and to the recent trends in gun ownership by women Authors from varied backgrounds and viewpoints share their perspectives on the pros and cons of firearm ownership as all of the following a constitutional right a key instrument of self defense a guarantee of political freedoms and as a major factor in crime and personal injury The reference is divided into three volumes The first volume covers firearm history legislation and policy the second volume explores public opinion gun ownership trends international laws and self defense and the third considers popular debates about firearm policy including concealed carry of firearms terrorism and the ownership of firearms background checks for purchasing guns and stand your ground laws The work concludes with an informed debate on gun policy between Richard Feldman president of the Independent Firearm Owners and Paul Helmke former president of the Brady Campaign to Prevent Gun Violence

Guns in American Society Gregg Lee Carter, 2012-05-04 Thoroughly updated and greatly expanded from its original edition this three volume set is the go to comprehensive resource on the legal social psychological political and public health aspects of guns in American life The landmark 2002 edition of Guns in American Society An Encyclopedia of History Politics Culture and the Law was acclaimed for helping readers get beyond the sometimes overheated rhetoric and navigate the overwhelming amount of unbiased academic research on gun related issues Now in light of the steady rate of gun violence and several high profile shooting incidents this extraordinary three volume work returns in a timely and thoroughly updated edition With over 100 new entries the latest edition of Guns in American Society is the most current resource available on all aspects of the gun issue including rates of violence gun control gun rights regulations and legislation court decisions pro and anti gun organizations gun ownership hunters and collectors public opinion toward guns and much more With expert contributions from the fields of criminology history law medicine politics and social science it gives students journalists policymakers and researchers a foundation for their own investigations while helping readers of all kinds make decisions as family members potential gun owners and voters

Handbook of Research on Pedagogies and Early Intervention Strategies for Combatting Socio-Pathological Behaviors Buckley, Sheryl Beverley, Babic, Ivana, Kadum, Vladimir, Hmelak, Maja, 2021-10-29 Issues of social pathology have been encountered throughout many societies There is a need for all educational sectors in society to coordinate unique educational engagements regarding children with accumulated and escalating behavioral problems that daily take their tribute and leave far reaching consequences on the degradation of each individual and of the community The Handbook of Research on Pedagogies and Early Intervention Strategies for Combatting Socio Pathological Behaviors serves as a guide to the social pedagogy discipline The text raises awareness among professionals and the public about the need and prevention of socio pathological manifestations and explains the types expansion causes and consequences of their occurrence and the need for an organized social action to reduce and overcome them Covering topics such as social pedagogy sociopathic manifestations and child to child care this book is an essential guide for students preparing to be
