Social Work In Juvenile And Criminal Justice Settings:

Social Work in Juvenile and Criminal Justice Settings Albert R. Roberts, David W. Springer, 2007 In this completely revised and updated classic Professors Roberts and Springer along with 51 justice oriented and forensic experts have set the standard of care for mental health treatment and the delivery of social services to crime victims juvenile and adult offenders and their families The second edition of *Social Work in Juvenile and Criminal Justice Settings* was published almost ten years ago in 1997 and was also translated to Chinese Now Dr Roberts Dr Springer and their team of 51 prominent chapter authors have done such a thorough job of updating and finding new authors that the end result is a comprehensive new book In this third edition 16 of the 31 chapters are new and specially written for this book A growing number of mental health professionals are recognizing the need to examine current evidence based program developments assessment and treatment practices with crime victims and offenders This book focuses on the multiple roles and practices of justice social workers also known as forensic social workers and crisis counselors Many professional social workers counselors and field placement students work in corrections and probation forensic mental health addictions treatment juvenile justice victim assistance and police social work settings In the words of Dean Barbara W White former President Council on Social Work Education and NASW in her laudatory Foreword to this edition This groundbreaking book provides the necessary blueprints and guidelines for best practices with crime victims as well as juvenile and adult offenders in institutional community based diversion and aftercare programs This is the first all inclusive authoritative exceptionally well written volume on social policies and social work practices in both juvenile justice and criminal justice settings This book is a landmark achievement An increasing number of offenders and victims have been found to be

Social Work in Juvenile and Criminal Justice Settings Albert R. Roberts, 1997-01-01 SOCIAL WORK IN JUVENILE AND CRIMINAL JUSTICE SYSTEMS (4th Ed.) David W. Springer, Albert R. Roberts, 2017-05-16 *Social Work in Juvenile and Criminal Justice Systems* sets the standard of care for mental health treatment and the delivery of social services to crime victims juvenile and adult offenders and their families The chapters all authored by experts in the field and all committed to the mission of social justice are written with the clear understanding that we cannot study criminal justice in a vacuum Therefore a major focus of the book is on the renewed growing sense of the profession's obligation to social justice Each chapter interconnects with the various components of juvenile and criminal justice Another prominent aspect of the book is that it is strength based It views those involved in the criminal and juvenile justice systems as individuals rather than inmates or criminals each with unique positive talents and abilities The book is divided into four sections The first section discusses forensic social work including crime and delinquency theories trends and ethical issues The second section prepares social workers for practice in correctional institutions and explores crisis intervention with victims of violence reentry of adult offenders in society and aging in prison The third section covers assessment and intervention in child sexual abuse mental health and substance abuse interpersonal

violence and prevention child welfare and juvenile justice The final section presents an overview on social work in the twenty first century which includes restorative justice and the justice system new ways of delivering justice domestic violence neighborhood revitalization race and ethnicity and social work practice with LGBTQ offenders This book will be the best single source on social work in criminal justice settings and will prove to be an invaluable resource for the many professionals who have responsibility for formulating and carrying out the mandates of the criminal justice system

Social Work in Juvenile and Criminal Justice Settings Albert R. Roberts, 1983-09-01 Conducting Research in Juvenile and Criminal Justice Settings Michael G. Vaughn, Carrie Pettus-Davis, Jeffrey J. Shook, 2012-09-01 There has been a surge of recent interest by social work researchers in conducting research in criminal and juvenile justice settings This is largely fueled by the tremendous increase in incarceration over the last several decades with millions more in probation or parole at any given time Rising expenditures strain state and local budgets and many individuals are spending much of their adolescence and young adulthood in correctional facilities Despite the profound impact that the criminal justice system has on client populations served by social workers and related professions there are few practical resources available to guide research in these settings This Pocket Guide fills a critical gap in the literature by providing state of the art techniques for researchers graduate students and agency administrators Research in criminal justice settings represents unique challenges that require rigorous designs and a suite of methods as well as the tools to navigate a complex system With this accessible and practical guide readers will encounter a wide range of study types and data sources along with strengths and weaknesses to consider with each as they conceptualize implement and analyze their research Crucially the authors also provide advice on how to gain and manage access to these settings as well as templates for preparing a successful Institutional Review Board application Step by step procedures elucidate the use of extant and administrative data and practical case examples sample forms and measures will help researchers implement their studies quickly and effectively
